VETERANS' QUARTERS IN COURT HOUSE

Carpenters Now Arranging Hall on Third Floor of Annex

LAW OF TWO YEARS AGO PROVIDES

County Court Gives G. A. R. and Spanish War Veterans New Hall

Under the provisions of the new law the county court has awarded the members of the Grand Army of the Republic and the Spanish War Veterans' Camp new quarters in the court house. They will occupy the east wing of the third floor of the new annex, and besides having a spacious hall will have an ante-room.

Contractors John Beatty and E. F. Smith are now doing the carpenter work, and in a few days will have the new hall in readiness. This will leave the west wing of the floor unoccupied, and if the county shall take a notion it may later be used for the county jail.

The law under which the use of floor is granted the veterans was passed two years ago, and every county court must give a like use to the veterans, where there is room and it is unoccupied by offices. The new quarters will be highly appreciated by the Post, Corps, and Spanish War Veteran Camp, and when completed they will have one of the finest meeting places in the city.

We Want Everybody to Know

That we will, beginning at once, give Cash Register receipts with every cash sale, showing amount of sale, date and who made the sale. We will ask you to keep these receipts as we are going to give back to our cash customers one day's cash sales each month. We will select one day each month and will announce in our window on the 5th day of each month the date we have selected, and then all you will have to do is look over your Cash Register receipts from us and see if you have any bearing that date, if you have just bring them to us and we will refund your money. There is no trick to this proposition.
