JUDGE BAGLEY WINS OVER HOLLIS AND DISTRICT ATTY. TONGUE NAMED

B. P. Cornelius, Benton Bowman and Stephen A. Douglas Meek Nominated on Republican Legislative Ticket

The big primary fight ended last Friday night, with plenty of uncertainty on many of the candidates until early counts gave an indication of general results. The big contest was on circuit judge and district attorney, Geo. R. Bagley, present incumbent, has carried the district of Washington and Tillamook by a majority of 1300 or 1400. He carried Tillamook, unofficial count, two to one and two over, and he has defeated Mr. Hollis in this county by at least 900. Judge Bagley carried all precincts excepting the four Forest Groves, Dilley, Gaston, Gales Creek and one of the Beavertons. As near as can be ascertained, E. B. Tongue, district attorney, has carried the nomination by at least 300 and it may be 400 on the official count.

Senator W. D. Wood had no opposition, Edwards, of Yamhill, carried the county for joint senator, although Handley made a stiff fight, as did Michelbook.

H. T. Hesse defeated Tizard for the commissionership. J. C. Applegate gets the nomination for sheriff by an overwhelming vote. H. A. Kuratli is named as clerk by a big vote. W. F. Boley

has the assessorship by a large plurality.

The legislative nominees on the republican ticket are B. P. Cornelius, Benton Bowman and S. A. D. Meek, the latter defeating Fernsworth by 45 votes, unofficial count.

E. B. Sappington defeated Miss Godman for the treasurer-ship; Barnes had no opposition for supt. of schools; Jas. H. Davis, for recorder, had no opponent; C. G. Reiter wins the surveyorship, and Dr. Ira E. Barrett played a lone hand for coroner.

For president Hughes carries the county and state, and Ben Olcott defeated Moores for secretary of state.

Clarence Barber wins for Hillsboro constable. This completes the republican candidacies of local interest.

The democrat ticket had but one line of candidates and the nominations were: Dr. Erwin, senator; Wm. Schulmerich, H. V. Meade and Manche Langley, representatives; J. E. Reeves, sheriff; F. E. McBride, clerk; D. B. Burkhalter, treasurer; C. A. Hanley, county commissioner.

The official count will doubtless conclude today, but possibly not early enough to get the figures.

TACOMA PAPER PAYS DR. BROWN TRIBUTE

Splendid Testimonial to Character of Former Hillsboro Resident

EPITAPH WRITTEN IN HEARTBAUM Words of Editorial Greater Value Than Any Large Estate

The Tacoma Daily News under date of May 12 pays Dr. E. M. Brown, a former Hillsboro resident and brother of E. C. Brown of Santa Ana, Cal., and Victor Brown, Forest Grove, a tribute that is an epitaph more lasting than brass or marble. It is a splendid memorial to a man who had made Tacoma his home for many years, and it will read with interest by the hundreds in this county who knew Dr. Brown and loved him for his manly qualities:

"Dr. E. M. Brown is dead. It is almost a pleasure to announce it. For this unfortunate man has suffered so long, not merely from physical pain, but from the knowledge of the thing impending, that death indeed is a great relief. Few men march down into the valley with colors flying, with head high, with such faith and hopes as Dr. Brown marshaled. For years he worked on courageously and smiling, under sentence to death, and his interest in his friends, in his patients and in mankind increased as the end approached until he became in his devotion to them all an armed knight, crusading in their behalf and fighting till the last trench.

Dr. Brown had a large practice which should have yielded him a handsome income. Indifference to money and a spirit to charity almost too expansive at times caused him to do a vast amount of work without charge. Persons who could well afford to pay neglected to do so; the poor were not expected to pay. He did a tremendous amount of good in the world, and he did not receive his share of the world's material rewards. But he gained the love and respect of some thousands of men and women in whose hearts his memory will live as long as they beat, and the impress of his Christian soul is left deep upon his community."

DID YOU EVER CONSIDER

That your watch is normally "on the job" 24 hours each day?

That in each 24 hours the balance wheel vibrates more than 400,000 times?

That a variation of 100,000 of a minute in each of these vibrations would cause a variation of more than 4 minutes a day in the time of your watch?

BY ACTUAL COUNT

143 distinct parts must be given individual attention when the average watch is properly cleaned and oiled.

IF YOU HAVE NOT

Thought of these little details, do so now, and give us an opportunity to demonstrate the extremely close timing which fine tools, skill and experience can accomplish with your watch.

Grandma Mary Ramsay Wood was given a birthday party May 20 in honor of her 97th birthday. Those present were her daughter, Mrs. C. B. Reynolds, D. T. Phillips and wife, Fred Olson and wife; Mesdames Carstens, Job, Corwin, McCulloch, Foard, Spencer, Pence, Jackson, Bailey and Vrooman, and Mrs. Hickling and family, of Portland.

The Hillsboro band and the populists have trouble over a drum. The band was engaged by the populist when Cyclone Davis spoke, and the bass drum gave forth no vibrations worth a darn. The populists object to the condition of the drum, while the band boys claim it was an unavoidable accident, and happened at the time they were playing. The truth of the matter is, so it is said, the drum-head was broken in when T. H. Tongue was nominated to congress and the band management neglected, or forgot to have it repaired in time to play for the Davis meetings.

The populists are claiming that their entire ticket will be elected.

J. P. Hicks' house on First Street was damaged by fire Sunday evening. The total loss is about \$250.

Hon. T. H. Tongue and Hon. Sam Hughes will deliver addresses on Decoration Day. Miss Alta Lamkin will read a poem on Gettysburg; S. B. Huston will speak for the Sons of Veterans; Mrs. Judge Crandall will talk for the Relief Corps.
