FOREST GROVE OPENS CHAUTAUQUA JULY 19

Splendid Array of Talent Has Been Secured For Entertainment
VICTOR MURDOCK THERE ON JULY 20
Six Days of Intellectual Treats With Rare Music Program

You must take off your hat to a few of Forest Grove's people who have realized the value of a Chautauqua and have worked incessantly to secure a program that will be both a delight and education to the people of Washington County. Last year's effort was a fine one and it cost some of Forest Grove's citizens, individually, a financial loss, but it was borne cheerfully. This year the ticket sales are being augmented daily, and it looks as though the entertainment will be self supporting. The program begins Wednesday, July 19.

In order to secure the Chautauqua it was necessary to guarantee 400 season tickets, and a group of our citizens, each guaranteed the sale of four season tickets. The price of a season ticket, including the entire six days, is only \$2.50. This is the price up to the opening hour, when the price of season tickets will be advanced to \$3.00; students season tickets \$1.50, and children's season tickets will be \$1.00. In order that you may secure your tickets early we give the list of those who have guaranteed the sale of tickets, and who form the Chautauqua Association.

**GEORGE A. WEBB
FOUND DEAD IN HOME**

Physician Called by Coroner Says Death Was Due to Apoplexy
HAD BEEN AILING SEVERAL YEARS
Deceased Was Probably Stricken Friday Morning—Found on Sunday

George A. Webb, aged about 60 years, prominent in Christian church circles, was found dead in his home on First St., south of Fir, Sunday, by Dr. S. M. Reagan, a next door neighbor. Mr. Webb had not been seen since Thursday, and after Mrs. Thos. Rood's little son called and found the door locked, Mrs. Rood investigated, and Dr. Reagan's assistance was called. He procured a ladder and ascended to the upstairs window, finding Mr. Webb dead on the floor. The dead man was divested of his coat, and was in his stocking feet. The coroner was notified and Dr. F. A. Bailey was called. He made an investigation and found that Webb had undoubtedly passed from a stroke of the above nature. Dr. Bailey stated before the coroner's investigation, Monday, that Mr. Webb had been ailing with diabetes, and that he had treated him for that affliction.

Mrs. Webb has been visiting at Baker City, and was absent at the time of death.
Mr. Webb was considerable of an Evangelist, and he and his wife were both members of the Christian church, where for years they were connected with the song service.
They came here from Illinois and Iowa, and the only relative he had here was a niece, Mrs. Thos. Rood, who made her home with them prior to her marriage.

DID YOU EVER CONSIDER
That your watch is normally "on the job" 24 hours each day?
That in each 24 hours the balance wheel vibrates more than 400,000 times?
That a variation of 100,000 of a minute in each of these vibrations would cause a variation of more than 4 minutes a day in the time of your watch?
BY ACTUAL COUNT
143 distinct parts must be given individual attention when the average watch is properly cleaned and oiled.
IF YOU HAVE NOT
Thought of these little details, do so now, and give us an opportunity to demonstrate the extremely close timing which fine tools, skill and experience can accomplish with your watch.
