The American people know that President Wilson wants peace—that is assured to every thoughtful person. Also every thoughtful person knows that every syndicate newspaper, and every big interest publication trying to force us into war on the side of the allies is for Mr. Hughes. Is it necessary for people to go further to know where our best National safety lies?

This is the time for the annual exodus to the mountains or the beaches and Oregon surely has her share of delightful places where one can spend a few days. Nowhere in the world can finer mountain resorts be found, and taken all in all, the Oregon beaches beat California's, when it comes to the cool mornings of the good old summertime. As for old Washington County—within 15 miles of Forest Grove and Hillsboro are places along mountain streams where Nature has been more than prodigal with beauty and restfulness. There is the East fork of Dairy, Gales Creek, and the Tualatin, with its branch, Scoggin—oh, well, ask Tom Sain about the latter place, for he knows.

Aug. Boge, of Chehalis Mountain, was in town Friday.

Henry Keenon, of above North Plains, was over to Hillsboro, Monday, attending circuit court.

Mr. and Mrs. W. Williams, of Portland, were week-end guests of Mr. and Mrs. Roy Schulmerich.

Henry Olney, the 19 year-old son of Mrs. F. C. Francis, of Oak Park, was operated on for hernia, Saturday, by Dr. Smith.

Jos. Alberts, a Hillsboro boy, has enlisted with the O. N. G. and is at Clackamas. He, Guy Edson and Frank Ritchie were out from Clackamas, Sunday.

F. C. Orth, of Forest Grove, was in town Saturday. He says that the milk supply is holding up fine this summer for the two condensers.

John Connell is developing in to quite a fisherman these days. He is said to have caught the limit up above Mountaineer, the other day, besides keeping out of the creek.

Mr. and Mrs. W. H. Morton visited at Mt. Hood the last of the week, Mrs. Morton returning Monday. Mr. Morton will remain there, the guest of his son, for some time.

Mrs. R. T. Purves and daughters, Misses Nona and Margaret, returned to their home in Seattle, Saturday, after an extended visit with Mrs. Purves' daughter, Mrs. Kenneth Robb.

Forest Grove's sewer work is progressing fairly well, and the town is torn up from boundary to boundary. Pacific Avenue is not traversed by teams, being nothing but an embankment. The hope is to have the sewer laid before Fall sets in.

O. L. Henking, J. Patterson and Garthophner, of Portland, have taken over the J. C. Hare sawmill on purchase, and are now running. Many improvements will be made and shipments of logs will start again this week.

M. E. Everitt and wife, visiting here from North Bend, were thrown from their auto near North Plains, the other day while endeavoring to dodge a runaway team. Miles broke a collar bone and his wife was severely bruised. They were taken to the Good Samaritan Hospital, Portland.

JOHN LORD

John Lord, aged 77 years, died at his home, two and one-half miles east of Hillsboro, near Dunzer, July 18, 1916, after an illness of several months. He was born in England, Jan. 12, 1836, and when a young man came to Canada, where he resided a short time. From there he went to Mexico and lived there until about twenty years ago, when he moved near Greenville. Three sons survive: J. F. Lord, a prominent stockman of Deer Island, Columbia county; John and James Lord, of this place.

He was wedded three times, no wife surviving. Neither of the sons is full brother to the other. A sister resides in California, in Orange County. The funeral takes place Friday from the Donelson Undertaking Parlor.

Born July 17, 1916, to C. F. Hilliker and wife, Huber, a son.

Anyone desiring pasturage for cattle, call Math 112. 14-1f

Born July 20, 1916, to Mr. and Mrs. W. F. VanLoo, of North of Sewell, a son.

Born July 18, 1916, to Prof. J. P. McGlasson and wife, North Plains, a son.

Mrs. W. E. Thorn, of San Diego, Cal., is the guest of Mrs. T. L. Blyeu, this week.

Mrs. Rose Helton, of Vancouver, Wn., is a guest of her sister, Mrs. Leonard Brown.

Wanted—2 teams to haul wood. Long haul job. Quarter to half mile haul. Apply at Helvetia store. 18 20

Glen Gillenwater and Ethel Olson were married in Portland, July 8, 1916. They will live on the East Plains.

E. W. Dant will soon begin his 44th year of threshing in this county. He says that threshing will be two weeks late.

Miss Minnie Morrill returned from Eugene this week, and Mrs. Morrill left for that city to attend the bedside of an aunt, who is very ill.

The name of Howard Watson, son of M. E. Watson, of North Hillsboro, was inadvertently omitted from the recent 8th grade graduates. He passed with a fine standing.

One important number you should have on your joy ride program is a visit to the Den of Sweets. Weatherly's ice cream served tastefully in drinks and sandwiches sure to please the most exacting. 17 9

J. Sawyer, of Portland, guest of J. W. Price, lost a \$2.50 gold piece watch charm in the recorder's office, the other day. The office failed to find it and the janitors could not locate, so some one must have picked it up. Mr. Sawyer wore this charm for 41 years, and will give reward for its return. It might have dropped outside the office.—Leave it with J. W. Price, Hillsboro.

WHY THE BEST OF CHEWS IS "SPEAR HEAD"

Its Rich, Sweet, Mellow Flavor Has Been Famous for a Generation

MADE OF CHOICEST RED BURLEY

The secret of tobacco satisfaction is known only to the man who chews *plug tobacco*. The reason is that a good chew gets right next to your taste, while the leaf in *plug tobacco* is in a state of fresh, juicy richness that is not possible in any other form of tobacco.

There's no tobacco in the world that can give you the hearty, wholesome flavor that you get from a delicious chew of Spear Head.

Spear Head is made exclusively of ripe, red Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest red Burley leaf is used for Spear Head.

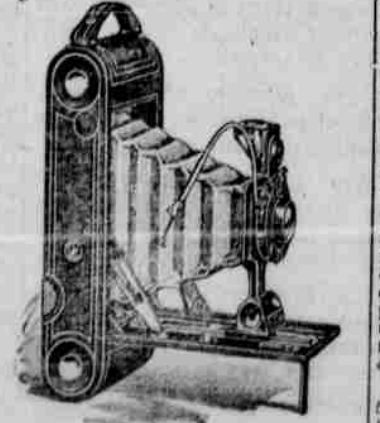

This choicest leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter, and is pressed into Spear Head plugs so slowly that not a drop of juice or an atom of the natural flavor escapes.

Try Spear Head, and you'll get a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco. In 10c cuts, wrapped in wax paper.
