

Senator CHAMBERLAIN

will address the voters of Washington County in

CRESCENT THEATRE

in Hillsboro, at 8 p. m., on the Evening of

Saturday, October 21

All are cordially invited to attend and hear the Senator's Review of National affairs and the legislation enacted by the Wilson administration. Senator Chamberlain is a National Character and is a Constructive Statesman. As governor of the state of Oregon he saved you—the taxpayers—millions of dollars for the school fund. He stopped the raiding of the state school lands by the speculators who were waxing rich off the real estate sacred to the school fund and the education of the youth of Oregon.
