The New York Herald's recent poll gives the state of New York to Wilson—and the New York Herald is some good guesser.

Mr. Hughes says he is not a "war candidate." Then why does Mr. Hughes receive the support of the war element in this country? Why does he receive the support of all the big interest papers which clamored for war, both against Germany and Mexico, a few months ago? Why does he receive the support of every element that wanted us to "shoot up" Germany when Germany sunk the Conarder liner that was carrying contraband of war. Why does he receive the support of the jingoists who want war at every turn? This is enough to show how peaceful a candidate Mr. Hughes really is.

UNION STOCK YARDS

Receipts of cattle this month promise to break all records, over 7000 head having been received this month to date. The record receipts were in January, 1916, when 10002 head were handled. The increase for this month over a year ago is more than doubled. Over two thousand head in the yards Monday. There were a number of loads of prime steers, although there was a limited amount of common stuff here. Top steers sold at 6.75 with other good loads from 6.65 to 6.85. Cow tops 5.50, demand was light. Most all grades of cattle sold 15 to 25 cents lower. Stockers and feeders were in good demand, best steers 5.10 to 5.75.

There was a limited supply of light and half finished hogs on the market Monday. There was a couple of loads of prime hogs, top was 9.60, with other loads at 9.40 to 9.50. The bulk of sales of good kind went at 9.25. Packers were cutting everything very liberally, especially the half finished stuff. Prime hogs were in good demand and moved early, other stuff found sale slow.

Sheep receipts have been coming in fair numbers in the last few days. Demand has been very good with steady prices. Several loads of choice yearlings brought 7.50 with Valley lambs at 8.50.

By P. L. Campbell, President of the University of Oregon:

By the County School Superintendents of Oregon:

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:

"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:
