Jako Messinger, of Laurel, sustained a dislocated shoulder and a broken rib one night last week, through an auto upset. Messinger was out to a meeting and his auto lights winked out on him. He was proceeding ahead of another machine, making use of their lights, when for a moment they failed him. His machine went into the ditch with the results as given. Dr. J. O. Robb is attending the patient.

Potato raisers are in high glee this season because of the fancy prices for the tuber. There has been a big move for early selling. In the hills much of the crop is not yet harvested, and there are not a few who are going to hold until Spring in anticipation of a bumper price. Washington County tubers are of splendid quality this year, although the yield is not up to standard in many localities.

A large percentage of the onion crop in Washington County has been shipped out, owing to the good price and the fact that many were rather blighted. When a blight touches the onion it is never as good a keeper as when the product is perfect.

Automobile owners are having their kicks these days over the Canyon road. The fact that work on the Multnomah end has closed the old route for travel makes auto drivers follow de tours from the top of the hill. Were the regular road opened there would be hard roads all the way in to the metropolis.

Monday was a quiet day in circuit court circles, the jurors being allowed to go home Saturday night until after the election.

## THE GOOD JUDGE GETS POSITIVE INFORMATION

JERRY DO YOU KNOW OF A CONTENTED MAN AROUND THIS LUMBER CAMP?  
DO IT SURE IT'S MY FRIEND MURPHY. HE'LL TELL YOU WHY!  
JUDGE, IN AN HAPPY A BILLY BOAT IN A FACTORY— I'VE FOUND THE REAL CHEW, AND I DON'T HAVE TO DELIBERATE ME LAW TO GET SATISFACTION

JUST put it up to a gentlemanly fellow and watch him take to the tobacco that calls for a small sized chew. A few facts like these appeal to his common sense:—  
W-B CUT Chewing is rich tobacco. It's shredded, you get next to all the good tobacco taste. The touch of salt helps bring out the flavor. It's not sweetened and flavored to death—you don't have to keep grinding and spitting.

This is the Stove Polish YOU Should Use

IT'S different from others because more care is taken in the making and the materials used are of higher grade.

## Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish. Used on sample stoves and sold by hardware and grocery dealers. All we ask is that you try our Black Silk Stove Polish on your own stove. If you don't find it the best, you may return your unused, unopened quantity for a full refund. Made in liquid or paste—one quality.

Black Silk Stove Polish Works Sterling, Illinois

The Black Silk Stove Polish is now named on crates, packages, etc.—Prevents rusting, and keeps the metal bright. For silver, nickel, or brass. It has no equal for use on automobiles.
