Andrew Kostur, of Buxton, was in town Saturday.

J. C. Crocker, of Mountindale, and Ben Thurner, of above Blooming, transacted business in the county seat Friday.

H. Halvorsen, of Farmington, was in town Friday, hauling in straw for Portland shipment. He finds a good demand for this product, and hundreds of framers have baled straw this year, to a profit.

Ed. Haines was in from his Groveland ranch the last of the week. E. W. is ranching these days and it has accomplished wonders for his health. He and sister are keeping house on the ranch, while Mrs. Haines remains at the Grove, where the children are in school.

Cliff Long, who has been with the Chicago, Milwaukee & St. Paul, on an engineering corps. all Summer, returned Saturday night from Montana, making the trip via Seattle. He reports that the line will soon complete the entire electrification of the Rocky Mountain Divisions, a feat that is the greatest in electrical circles the world over. Their passenger and freight trains are drawn by the most powerful electric locomotive known to manufacture. Montana, he states, went dry at the recent election, and Wilson won the state by a big majority. The first of last week he passed Jefferson Island, where Bill Masters is putting in the winter. When he left Butte mercury stood 27 below zero—some temperature.

THE LAWYER TELLS THE GOOD JUDGE ABOUT THE STUBBORN ONE

JUDGE, LOOK AT THAT FELLOW'S FACE—ALWAYS CHUCK FULL OF ORDINARY TOBACCO, SEEMS SOME OF HIS FRIENDS WOULD TELL HIM ABOUT W-B CUT.

I AM SURE HE WOULD APPRECIATE IT.

YOU'RE not sorry for gophers and monkeys with their faces all swelled out—they are built that way, pockets in their cheeks to hold stuff till it's feeding time. But you can't help feeling sorry for a man with a big wad of old kind of tobacco—he isn't even getting satisfaction. W-B CUT is rich tobacco—full of satisfaction—a little chew, is right size, and it cuts out so much chewing and spitting.
