Prominent Male Quartet Will Be One of Leading Chautauqua Attractions

THE Lyric Glee Club, rated for fourteen years as one of the foremost singing organizations in Lyceum and Chautauqua, give two brilliant concerts on the opening day of the Ellison-White Chautauqua this year. The personnel of the Lyric includes the famous tenor Fenwick A. Newell, Charles Reid, well known bass; James Reid, eminent baritone, and Francis Hendry, second tenor and character impersonator of national reputation. Senator Chamberlain has introduced a bill to effect that the Federal government shall pay the back taxes on the O. & C. unsold lands which have reverted to the government. The taxes due June 1, 1916, are under the cover of the measure, and that the law will go through is almost a foregone conclusion. This will mean several hundred dollars for Washington County. The Land Grant counties will get nearly \$200,000. Leave it to Geo. E. to look out for the state.

Senator Chamberlain is more and more a National figure each year. The Eastern press give him the right of way when it comes to taking hold of National affairs in a masterful manner.

A silver spoon belonging to a set given Mrs. J. C. Lamkin by her mother many years ago was found last week in the garden of John M. Wall, where it had lain for years. The spoon was in a fine state of preservation, and still had the date mark of 1849 on the handle. This completes the set, one of them having been stolen years ago and sold to a Portland restaurant. This was recovered by means of the initial "A," the monogram of the Archbold family. Mrs. Lamkin is very much pleased at the finding of the heirloom.

DULL AND SHARP SHOOTING PAINS

Michigan Lady Suffered Such Pains In Back and Head, But Says Cardui Stopped These Bad Spells.

Palmyra, Mich.—Mrs. Chas. T. Fuller, of this place, writes: "In 1911 I got run-down, and I suffered great pain...with both dull and sharp shooting pains...also back and head. I was weak and could only drag around, and should have been in bed. For I really wasn't able to be up. At times I would have spells that would be so bad I'd have to go to bed, and suffered intensely... I decided to try Cardui, and saw a great improvement in less than a month's time. I used 7 or 8 bottles and was stronger...I got so much better that my strength returned and my work was easy for me. Cardui did me a world of good. It built me up in health and strength. I haven't had one of those bad spells since. I haven't had to take any more medicine since or have any doctors either and have been able to do my work right along...I recommend it to other women highly as the best medicine I know of for women who suffer from female trouble."

If you suffer from female troubles, follow this advice. Get a bottle of Cardui today and give it a thorough trial. It should help you, as it has helped thousands of other women in the past 40 years. At all druggists.
