## Hon. George A. Carlson

**Colorado Statesman and Reformer Who Will Be Heard at Chautauqua**

THE state of Colorado some time ago elected a young man governor at the age of thirty-eight. It did it deliberately, with purpose aforethought, for that young man had demonstrated that he was an able statesman, a constructive thinker, a fighter and a reformer, as courageous as he was practical. That man was George A. Carlson. His administration of the governor's office was marked by unusual ability and real democracy, and he comes now to Ellison-White Chautauquas with a burning message for all true Americans, "The Price of Progress."

# Velie.

## Bigger - Better - More Power

**VELIE BILTWEL SIX has made an astonishing record in the last year. It created a demand that tripled our output—tested the capacity of A Mile of Velie Factory—made a name for style, finish and performance that you now hear wherever automobiles are discussed.**

Four more inches of body length give more room comfort, more luxury—with a new note of distinctive charm in the lines of the 1917 design.

**Timken Axles Front and Rear** are but an evidence of the quality and superior specifications found throughout the Velie car. Recognized as the standard of excellence. **Money can not buy better.**

Many subtleties of engineering refinement **give more power,** silence; suppleness—securing every ounce of energy of every drop of fuel.

All this and much more can now be obtained in the new **Velie** at the low price of $1185.

Back of this car is half a century of manufacturing experience—the reputation of one of the most substantial organizations in America.
