PATRIOTIC ENDEAVOR FOR FOURTH OF JULY

Committee Will Make This Country of Ours the Real Feature

HON. GUS C. MOSER THE ORATOR

Big Patriotic Parade for Fourth—Ninety Bandsmen to Play

The committee on arrangements have proceeded along lines of ultra patriotism for the celebration of our country's natal day, and a fine program has been outlined. On Sunday, July 1, the celebration will formally open with a band demonstration of ninety pieces, comprised of the Laurel, Cornelius, Hillsboro and Orenco bands, in a massed band concert. At 7:30 that evening there will be a patriotic service at the Cong. Church.

On Monday and Tuesday there will be band concerts in the evening, and dancing at the pavilion at the grounds. On the 3rd, a ball game will be staged at Athletic Park.

The morning of the Fourth will witness one of the greatest patriotic parades ever featured in the county seat, and this will be staged in the city, to begin at 10:30. There will be a patriotic service at 11:15, and Senator Gus C. Moser, of Portland, will deliver the Fourth of July oration. Senator Moser is able to make the eagle scream, and he will be well worth hearing. Moser's coming has a double significance—he is of German descent, intensely patriotic, and is known to hundreds of people in the county, personally.

A ball game will be played in the afternoon, and there will be dancing day and evening.

The committee expects to have further announcements for next week. For the parade on the 4th there will be prizes—

Largest per cent. of membership any civic organization, $10.

Best patriotic display any adult organization, $10.

Best patriotic display, boys, to 12 years, $5.

Best patriotic display, girls, to 12 years, $5.

Best patriotic display by business house, $10.

Best allegorical display depicting war conditions, $10.

Largest military organization, $40.

LOCAL RED CROSS MAKING CAMPAIGN

This is Subscription Week and Committee is Hustling

OREGON MUST RAISE BIG SUM

Appeal is Made to All to Help Swell the Fund

Oregon first in army and navy enlistments; Oregon first in Liberty Bond over-subscription—now add the third great entry on the National Honor roll!

"Oregon first to over-subscribe its $600,000 quota of the $100,000,000 Red Cross emergency war service fund."

H. L. Corbett, general chairman of the state campaign committee, which is responsible for raising $400,000 believes it will be done.

W. B. Ayer, general chairman of the Portland campaign committee, which is responsible for raising $200,000, believes it will be done.

Oregon's biggest business men, Oregon's most prominent women—thousands of them are devoting practically full time to the campaign, regardless of personal sacrifice believe it will be done.

Very soon the story will be told. Red Cross Week commenced June 18 and ends June 25. In a short 7 days the state generally must raise $85,914 a day, $10,475 for each hour of an 8-hour working day.

The President of the United States proclaims Red Cross Week and asks in behalf of the nation at war that the $100,000,000 be given. The wounds and agony awaiting the soldiers that we send across the sea beg that we furnish the Red Cross hospitals, physicians, nurses, stretcher bearers, medicines and bandages in time to serve their terrible need.

And the mother whose yearning arms reached emptily after her soldier boy who has marched away, holds out those arms pleadingly toward the patriotically generous of Oregon; her full, tender heart questions anxiously, "Will you give the Red Cross ability to save my boy's life when he is wounded, and to care for me?"

It is an appeal that Oregon can not, will not, resist.

Remember that the American Red Cross is financed out of private subscriptions, because if financed by the government it would cease to have the status of a neutral on the battle fields, and its work might be handicapped or destroyed. Remember, that subscriptions made now may be paid in 25 per cent installments, July 1, August 1, September 1 and October 1.

Oregon will show that the people realize the Red Cross appeal comes from an emergency that must be met.

COMMUNICATION

It has been suggested that the meeting of the Spanish War Veterans of this state to be held in this city on the 27th and 28th of this month, should receive the hearty co-operation of the people of this city.

To this end it is recommended to the business houses of the city to make proper decorations of their windows and the fronts of their respective business places, which will add to the attraction of the city.

The local committee of the Spanish War Veterans having charge of this assembly have been exceedingly considerate and have not asked the business interests to contribute one cent, the expenses of the meeting having been arranged in other ways. At the same time we don't want the hundreds of people, who will be in attendance at that meeting, to get the impression that the City of Hillsboro is not appreciative. The city should show its approval and good will of this meeting by co-operating in every manner possible. The streets should be decorated in a suitable way and everything done to show these veterans who have faced the dangers and hardships of the front that we appreciate their presence. We surely can not do less.

Therefore, in order that the citizens of this city may get together for a common understanding and purpose and to appoint necessary committees to carry out the above suggestions, a public meeting will be held at the Court House, at 8 o'clock, on Friday, June 22nd.

Let us attend this meeeing in large numbers—the women included—with a spirit of willingness to serve upon any committee that we may be appointed to.

Dated at Hillsboro, Ore., this 21st day of June, 1917.

MRS. ANNA SCHUELER

Mrs. Anna Schuller, of East Hillsboro, died suddenly at her home, June 16. She was born at Gratz, Austria, July 22, 1840, and came to America with her husband in 1880, settling at Pittsburgh, Pa. In 1902 they moved to Oregon, settling at Hazeldale. Ten years ago they purchased the F. C. Smith place, near the Minter Bridge. After the death of the husband, in May, 1915, she sold the place and moved to Hillsboro to reside. Mrs. Schuller was one of a family of 13 children. She is survived by a brother, a nephew and two nieces, all residents of Austria. One brother, employed by the City of Gratz, is under pension for 50 years of municipal service, and is now aged 71 years. The nephew is a surgeon in the Austrian army. Another brother was Mayor of Gratz, a city of 200,000, and at his death was judge of one of the higher Austrian courts.

She was an exemplary woman, ever kind and of a splendid character. Services were conducted by Father O'Neill, Monday, at 9 a. m., at the Catholic church, and interment was in the Catholic cemetery below Newton.

HILLSBORO AGAIN WINS

The Hillsboro Mercs, again won last Sunday, beating the fast Honeyman Hardware team, 5 to 4. This was the visiting team's first defeat this year. Features of the game were the brilliant fielding of Duke McCurdy, the Merc. shortstop, accepting 16 chances with but one error, and the fine pitching in pinches by Ralph Williams. Next Sunday the Mercs. will play the Mikado team, of Portland, all players being native born Japanese, and well skilled in the National game. On Thursday, June 28, at 4 p. m., the Mercs. will play the Wabash Club, of Portland, under the auspices of the Spanish War Veterans. Come out and see these games. The boys are playing stellar ball—be sure and see them perform.

Batteries for last Sunday, Hillsboro, Williams and Schulmerich; Honeymans, Hyronimus and Barr.

NOTICE

I have been requested as Mayor of the city by many of the business houses to suggest to the business houses to suggest to the business interests a half holiday, from 2 o'clock on Thursday, the 28th of this month, at the time the Spanish War Veterans of the state meet in convention here. This will permit many of the organizations of the city to participate in the parade, and likewise show our interest in these veterans.

Therefore, as Mayor of the City of Hillsboro, I request that the business houses of the city close their places of business from 2 o'clock in the afternoon of Thursday, June 28th, and request the people of the city to co-operate and participate in the festivities of the occasion.

Dated at Hillsboro, Oregon, this 21st day of June, 1917.

John M. Wall,
Mayor.

BERNHARD HECKMANN

Bernard Heckmann, son of Mr. and Mrs. Andrew Heckmann, of Bethany, died Monday morning, June 18, 1917, from injuries received Sunday, while driving an auto truck near Oswego. The accident happened in the afternoon, and while nearing a bridge the machine's steering gear went wrong. The machine had a drop of 10 feet, and Heckmann fell 20 feet, injuring him internally.

He was a driver for the Western Soda Works, and had been in their employ for some time. Besides his parents he leaves the following brothers and sisters to mourn his loss: Fred Heckmann, Bethany; Andrew Jr. and Gottleib, Mrs. Peter Schafer, Portland, and Misses Gertrude and Frieda, at home, Bethany.

Of his immediate family he leaves a wife and three children.

The funeral took place yesterday.

ANNIVERSARY SURPRISE

Grover Combs, at the eleventh hour, remembered that last Thursday, June 14, was the sixth wedding anniversary of himself and wife, and he concluded to surprise Mrs. Combs with a party. A mutual friend extended the invitations, and a merry time was enjoyed when Mrs. Combs and her husband arrived home, finding a jolly company there. Five hundred and refreshments at a late hour were features of the evening. Guests present were:

Messrs. and Mesdames J. W. Connell, Geo. Emmott, W. G. Hare, L. A. Long, L. T. McPheeters, Wm. Nelson, F. J. Sewell, Dr. and Mrs. E. T. Helms, Mrs. Adah Moore and Mrs. Emma McKinney.

Janitor Tupper now has a swarm of bees to care for at the court house. He will need a scaling ladder or an aeroplane to get the honey, for the honeymakers have lodged in the chimney on the south front. They first swarmed in the big sequoi giganticae, and from there wandered into the chimney, which is zinc covered. Here they started making their home yesterday.
