Velie

Bigger - Better - More Power **BILTWEL**

VELIE BILTWEL SIX has made an astonishing record in the last year. It created a demand that tripled our output—tested the capacity of A Mile of Velie Factory—made a name for style, finish and performance that you now hear wherever automobiles are discussed.

SIX
\$1185

Four more inches of body length give more room comfort, more luxury—with a new note of distinctive charm in the lines of the 1917 design.

Timken Axles Front and Rear are an evidence of its quality and superior specifications found throughout the car. Recognized as the standard of excellence. Money can't buy better.

Many subtle touches of engineering refinement give more power, stiffer, suppler—releasing every ounce of severity of every top-fuel.

All this and much more can now be obtained in the new Velie at the low price of \$1185.

Back of this car is half a century of manual turning experience—the result of one of the most comprehensive organizations in America.
