

In Keeping With the Big Thought of the Day

The daily press reflects a sentiment throughout the nation which clearly indicates a new condition.

Men are wanted everywhere. The work of this war is being carried on largely by those who never before have been in public office or in public work. Men who have been too busy, too engrossed with their own tasks, are leaving their work to others and giving their time and ability to the cause which is ours, yours, and everybody's.

It is a time when politics in the ordinary sense must not be considered. It calls for all the ability that can be mustered.

Oregon to be a successful part in this unit plan for the defense of Democracy, must likewise place the thought of the times before everything.

In another part of this paper appears the announcement of L. J. Simpson as a candidate for Governor on the Republican ticket. Mr. Simpson was urged to become a candidate by his many friends in every part of the state, because of his business record, his understanding and knowledge of Oregon's resources, industries and needs; because of his public-spiritedness, which of recent years has led him to tasks which have been more important to him than his own affairs.

L. J. Simpson is clearly the man who can give Oregon the administration necessary to this plan of National Efficiency.

His campaign will be directed straight to you as voters, as individuals who do your own thinking.

We are firmly convinced that you will not allow politics to influence your decision, and that you will vote for the man who is best fit to help the people of Oregon, develop the state's vast resources, and to prepare for and participate in the great reconstruction that is to follow.

We believe you will weigh issues more closely than ever before, and that L. J. Simpson will be your choice.

What You Can Do

First—Talk over his candidacy with your friends.

Second—If you believe that L. J. Simpson is worthy of your support, write a letter to this committee.

Suggest how his cause may be advanced. We, in turn, will tell you how you can help.
