If successful running is what is wanted some one should nominate a Bolshevik ticket in Washington County.

Trotsky went into Russia to put the Slavs on the back walk, and it looks as though he is making them trotski.

Did you ever think what a thunder of a small chance an army house would have wending his way over the whickerli bodies of Trotsky and Lenin. No wonder they are non-military.

C. C. Chapman, the Charlie Chaplin of Oregon politics, wants Gus Moser beaten for the governorship. Chapman has lots of sympathy from the other candidates, but Gus is still fighting the paving trust and expects to make the boys a run for the money, and first honors.

Human nature is a peculiar thing. Many times you, yourself, have felt that you would rather pay one man a dollar for a certain article than to get it from the alternative for half that price. This holds as well with newspapers, and, this being true, you are bound to hear complaints from the boob who imagines he is slighted. And all this accounts for various tales of woe emanating now and then from pinheads who think they are "wiseheimer."

The entertainment given at Johnson's school house Saturday evening, by South Tualatin Auxiliary, for Red Cross benefit, was well attended, regardless of inclement weather. An address on War Work was given by Miss Boswell, of Hillsboro, and very much appreciated. Another special feature of the program was the children's violin orchestra of the Grable school. Congratulations are due both children and instructor. Vocal numbers given by different ones were splendid, as were readings and exercises by children and grown-ups. Enthusiasm of the Red Cross work was in evidence throughout the entire evening.

Mrs. Susan Wansbrough, aged 77 years, and well known near Sewell Station, on the Oregon Electric, where she lived several years ago, died in Clackamas County, March 8, 1918. She leaves a husband and 3 children to mourn her loss. One daughter, Mrs. H. E. Allen, resides at Newton, another, Louise, lives at home, and the other, Mrs. Lucy Smith, resides at Coburg, Mont. Mrs. Wansbrough was an exemplary woman, and had many friends here.

Ole Olson, of below Beaver-ton, was in town Tuesday. He lives near the Golf course at Raleigh, and one day last Summer his neighbors say that he missed a hen, which was a valuable layer. He found her down near his onion land, in the brush, and she was patiently trying to hatch out two golf balls that had been lost through too much strength on the part of an enthusiast.

F. L. Brown, of Laurel, was in the city Saturday. In common with all Laurelites, he is waiting for the weather to settle so the rock road work can begin.

John Siegrist, of near Helvetia, was a city visitor Tuesday, and while in town called on the Argus.

CIRCUIT COURT

The case of State versus Adolph Schmidt, charged with pointing a firearm at Peter Borchers, near Sherwood, last Summer, ended by a verdict of guilty. The defendant was given ten days to enter a plea for a new trial. The case attracted much attention owing to the neighborhood prominence of both parties. Many witnesses were examined and there was much difference of opinion as to pointing of the gun "at or toward." The law was passed years ago when Senator Huston was in the legislature—not a short time ago, as stated last week.

S. Alexander pleaded guilty to stealing 17 skunk hides from Frank Greener. He was given 12 months in the county jail and paroled on paying the costs. He must report monthly.

W. P. Williamson, charged with non-support, pleaded guilty. Sentence was deferred so he could arrange to pay his wife \$40 monthly.

The grand jury reported two true bills.

Bernard Meltebecke, charged with a statutory offense, pleaded guilty and was paroled during good behavior. If the girl in the case does not object the court intimated that he must marry her or the parole will be revoked.

R. Foster, who stole barbed wire from Scott, of Patton Valley, pleaded guilty to simple larceny, and on payment of costs gets parole. Herman Henke, same charge, pleaded not guilty, and the case is still pending.

Edie Doughty was granted a divorce from Leora Doughty.

SOME INSURANCE

Washington, D. C., March 8.—The 80th Company, Regiment, U. S. Marines, on active service somewhere in France, is insured for \$2,545,000.

This undoubtedly establishes a record for individual company insurance subscription. Of the 255 men in the company, 254 took out insurance for \$10,000, each, the remaining member subscribing to a \$5,000 policy.

In addition to this, 188 men of the same company made allotments, totalling \$2,830.50, for "folks back home."

BENJ. F. OWENS

Benj. F. Owens, a prominent farmer of near Cedar Mill, died in Portland, March 7, at one of the hospitals. He was taken ill, seriously, on March 6, and hurried to the hospital, where he was operated on March 7, dying a short time afterward. He was born April 8, 1843, at Carrollton, Missouri. At the age of 19 he joined the Union Army, and was honorably discharged a year later. In 1864 he crossed the plains, starting with horses. Enroute the Indians stole the horses and the train proceeded with oxen. Six months after starting he landed in the Grand Ronde Valley, where he wintered. In the Spring of 1865 he arrived in the Willamette Valley, and settled near Cedar Mill, where he has made his home for 53 years. On November 28, 1877, he was married to Lillie J. Thomas, who, with four sons and four daughters, survive. One child is dead.

The surviving children are Mrs. Wm. Barnes, Portland; Richard Owens, Seattle; Frank Owens, Portland; Ivy, whose husband is in the U. S. army; Misses Ruth and Lottie, Cleveland and Arthur, at home, the latter being very ill at this time.

The funeral services were held at the German Baptist Church, at Bethany, Rev. Wm. Graf preaching the last rites. The Bethany Grange, of which he was a member, attended in a body. The Baptist choir sang a service.

Mr. Owens was highly respected and was the soul of hospitality, his home ever being a place of meeting for neighbors.

Mr. Owens was one of the jurors on the celebrated X. N. Steeves' case, which was brought here in the nineties on change of venue.

GRABEL SCHOOL NEWS

Some weeks ago the school gave a program and basket social, the proceeds, \$21, going for school improvements. At this program the school orchestra made its first public appearance. The orchestra consists of O. B. Kraus, leader; violins, Fern Rosencrans, Mary Thiele, Arno Nelson, Earl Grabel, Fay Rosencrans, Ira Butterworth; cornets, Norman Mann, Raymond Larson; trombone, Ethel Hanson; organ, Winifred Lindholm.

On Arbor Day an appropriate program was given. Two trees were planted on the school grounds.

The orchestra was invited to play at a Red Cross program at the Johnson school on last Saturday evening. Judging from the applause, the music was well received. Those who attended the program report a general good time.

Now that the weather has become somewhat settled the larger pupils are taking a lively interest in basket ball again, in the hope that they will be permitted to clash with the Blooming school at some future date, before the end of the school term.

FRANKLIN AIR-COOLED THRIFT

Associated With the Franklin Touring Car for 15 Years

We are not telling you anything "new" about the Franklin Touring Car.

With the Franklin, Thrift is far from being a present-day fad; it has been a scientific fact for 15 years.

Franklin Touring Car weighs 2280 scientifically put-together pounds—minus the care, trouble and expense of 177 complicated water cooling parts.

Which mainly accounts for the Franklin having established every worth-while efficiency and thrift records among fine cars.

And you'll not find the Franklin owner restricting his touring, for he owns a car of utility, constructed fundamentally to operate on a Thrift basis.

"Claims" for thrift have had their day. Necessity demands facts.

A Franklin Touring Car is on our floor and the facts are in black and white, where we can show.

We'll be pleased to demonstrate both if you call.
