"ELGIN SIX"

The Car of the Hour

FOUR POINTS YOU SHOULD CONSIDER

Elgin Distinction
Elgin Endurance

Elgin Economy
Elgin Comfort

are the big points that rank the ELGIN SIX best in the moderate price class.

ELGIN DISTINCTION comes with the fashionable center cowl of the high priced European models, combined with the beautiful yacht line design of the ELGIN SIX, giving a style and distinction that sets the ELGIN SIX apart from the monotonous design of the average car.

ELGIN ENDURANCE has been proven by crucial tests in some of the most grueling reliability contests, where the ELGIN SIX came through with perfect scores and without mechanical adjustment during an immediately after such runs. The ELGIN SIX has established a new record of 1,626 car-racking, stamina testing miles, in 67 1/2 hours, between Chicago and Miami, Fla., over steep, rocky mountain roads, heavy sands, and slimy, treacherous swamp roads.

ELGIN ECONOMY is the third big point that a prospective buyer should consider. A minimum in wear on all parts of the motor and equipment of the car, minimum consumption of gasoline and oil at all times and under all conditions—these are the points that make ELGIN ECONOMY famous. ELGIN cars in the tests mentioned above traveled an aggregate of 825 miles on an average consumption of gasoline of 25.8 miles to the gallon, and over 200 miles to a quart of oil.

ELGIN COMFORT is insured by the work of Elgin Engineers, who have perfected an improved rear spring suspension, found only in the ELGIN SIX, which sets a new standard of motoring ease and comfort at high speeds, reducing shock and vibration to a point not surpassed in any car at any price.

The special construction of the Elgin velvet-acting clutch enables the ELGIN SIX to be started on high gear, eliminating to a large degree the necessity of gear shifting under ordinary conditions thus making the handling of a motor car safe and easy for women.

These four points are only the big factors of a car that justify such an enviable reputation as the ELGIN SIX bears. There are scores of other points that contribute materially to its standing as the premier car of its class. From front to rear of the car, inside and out, seen and unseen, the ELGIN SIX will stand the inspection of the most expert mechanics and not be found wanting in anything that makes for comfort, power, speed, endurance and beauty.
