Now is the Time for Every Man John and Woman Sarah to Help

MAKE IT EASIER FOR ALL

Junior Red Cross is Doing Nicely and Children Work Hard

(Regular Correspondent)  
Day by day more demands are being made on our loyalty and helpfulness, and while in the aggregate the response seems quite general, still we can all look around us and wonder why the spirit of patriotism does not move the average person to do more without urging. There are women, even in this city, who can find time for everything on their social calendar, but never an hour to spare for work in Red Cross headquarters.

Then, again, the young girls might be doing more, judging from the way they frequent the downtown district after school hours. This latter thought came after reading a letter from a boy in France. The "happy-go-lucky boys" we remember became men over night, and are bravely facing dangers, and while they are so doing, it is only natural that they should ask, "What are they doing at home?" or, as this particular boy said: "Remember, there'll be plenty of time for pleasure after the war, but are you now doing anything to 'win the Kaiser'?"

Tell me the truth—you are an Honor Guard, or on a committee, or belong to the Red Cross—yes—but are you doing all that you could do without much sacrifice? Get a little spirit and really do something worth while. Not only say: "I am trying to do my share, but I am willing to, and will do more than my share." Is there a Hoover sign in your window? If there isn't, put one there today. This is no sermon, but a suggestion of plain, every day duty that every real American must and should face.

Belgian Refugee Clothing—The sixteen auxiliaries are collecting clothing in the country, the following ladies are soliciting in the city—Mrs. J. W. Bailey, Mrs. Bowman, Mrs. Hoyt, Mrs. Perkins, Mrs. Kane, Mrs. Wm. Nelson, Mrs. Hamilton, Mrs. Simpson, Mrs. Morgan and Mrs. Barber. They all report a good response. The Laundry is doing some necessary washing. Mr. Gilby loaned the G. N. express machine to do the collecting, and there is a large collection for the Belgian women and children.

Junior Red Cross—A week from Friday, beginning at 2:30, the Hillsboro Public School, which is 100 per cent, will have an open afternoon for parents and friends to see the children work at the Junior Red Cross duties, and the completed work will be on display at five cents per admission, the money to be used for more materials.

There is now for sale a book of Red Cross stories for children, by Gear Gene Faulkner, published by the American Red Cross. This sells at 50 cents a copy, including postage. A copy of this should be in every school.

## HILHI TEAMS WON BOTH FROM GROVE

County Seat High Wins by But One Point, 21 to 22

CHAMPIONSHIP FIGHT ON Three Hundred Witness Game Last Friday Night

(By Arthur Reiling)

Over three hundred people witnessed the games last Saturday night at the local gym. The girls game, altho the score was 37 to 4 in favor of H. H. S. was fast and furious. The boys played the fastest game that has been played on the local floor this season. The players of both teams were in prime condition and the game was close throughout, the one team never being more than 4 points ahead of the other.

Spirit ran high and several of our distinguished citizens were seen throwing their hats in the air, and heard yelling at the tops of their voices.

Some basket ball! The correct score, altho there is some dispute over it, is 21 to 20 in favor of the locals.

The Washington County championship now lies between these two teams, and will be decided on the Portland Y. M. C. A. floor next Friday night.

Undoubtedly a large crowd will attend from both towns. Come on, let's go to Portland and show some more spirit.

Senator Wood talked to the Civics class last Friday, on the workings of the Oregon legislature. Some of our future legislators now know more about the way in which business is carried on at our State Capitol.

The pennant offered by the Athletic Committee to the class selling the most tickets for the Forest Grove games was won by the Seniors. No doubt it will soon be floating from the Assembly wall.

The H. H. S. Girls' Basketball team has completed a successful season by winning six out of nine games. The line-up follows:

Ruth Linklater, guard (manager); Gladys Taylor, guard; Olive Gates, center; Dorothy Linklater, center; Martha Berger, forward (captain); Marjorie Wells, forward; Timah Bechen, side-center.

Prof. Patten is now the proud owner of a flyover, and may be seen rolling about the city streets after school hours. Honk! Honk!

By request of an H. H. S. student—the next meeting of the Rock Creek Literary will be held Friday evening, April 5, 1918. Further announcement about the program will be made later.

Miss Milam, of the Food Administration Bureau, gave a very interesting talk on food conservation last Wednesday. She emphasized the fact that to waste now is a contribution to starvation.

### DESERTER

Eddie Hiatt, aged 25 years, carrying the alias of Wm. Ward and alias of William Warden, was arrested by Sheriff Applegate, at the farm of Frank Connell, last night. Young Hiatt also has two charges of larceny against him, one from San Jose, Cal., and one from Portland. He expects the death sentence as the result of the desertion charge, as this is his second offense. He deserted from the army some time ago and served eight months at the Presidio, Cal. He was then drafted from San Jose, and sent to Camp Lewis, where he again deserted, coming to Portland. He is a bad character, and is said to be a confirmed criminal.
