

THIRTY FIVE LARGE BOXES FOR BELGIANS

Donation of Clothing of Hillsboro Red Cross and Auxiliaries ALL HAVE BEEN SHIPPED

Articles, 4843, Weighing 4605 Pounds—Much Good Clothing

Hillsboro Branch of Red Cross, and auxiliaries, shipped 35 large boxes of clothing to the Belgians this week, consisting of 4843 articles and weighing 4605 lbs. To this Banks sent 500 pounds, and according to population was closely followed by Manning, North Plains, Roy, Shelton, Leesville, Meek Plains, Wynonah, South Tualatin, Laurel, Reedville, Huber, Aloha, Areade and Oak Park Junior Red Cross auxiliaries. All were of durable character, and had there been more time the response would still have been larger.

"The fine spirit of giving" was complimented many times when nicely cleaned articles were received. Some donations came in such shape that they were discarded for lack of time or funds to clean them. The contributions however, show a commendable spirit of generosity.

Mr. Ascher, instructor in manual training, L. W. House and his helper from the shop, C. H. Brooks, L. T. McPheeters, Col. Smith and W. V. Bergen nailed and wired the boxes, and Messrs. Carter, Strong, Barr and Schlegel did the hauling. Groups of ladies came daily and sewed on buttons and mended. Mesdames Morgan, Nelson, Rollins, Brooks, Frost, Stevenson, Killen, Wood, Max Crandall, Spicker, E. O. Crandall and Reiling cleaned and packed until the shipment was in fine shape.

While this response was splendid, it is only the initial start for helping the Belgians and French.

HILLSBORO DROPS THE CHAMPIONSHIP

Decision by Close Score Gives Grove the Honors

GAME WAS A TIE AT FIRST Students Will Stage Vaudeville, at Liberty Theatre, April 1 and 2

(By Arthur Reiling)

The Washington County basketball championship was decided Friday evening on the Y. M. C. A. floor, Portland, when Forest Grove High defeated H. H. S. by a score of 23 to 25. The game was a hummer, both teams playing close all the time. The first half closed with H. H. S. in the lead, the score being 10 to 15. Forest Grove came up a bit in the last half, and the game ended with the score tied 21 to 21. Five minutes was given in to play off the tie, and Forest Grove won the count. Old "Spirit" was working and rooters from the two schools most went wild. Those playing the game are:

H. H. S.—Carter, F.; Reil F.; Goar, C.; Schulmerich, Stoffers, G.

Forest Grove—Hore, F.; H. burg, F.; Carrie, C.; Snyder, Troutman, G.; Snyder, G.

These two teams are evenly matched and sure to do some exciting when they get together, and the H. H. S. boys are all saying "just wait until next year."

The boys' class games are now on, and are rolling along lively. They will be finished next week, and then we will know to whom the Inter-class cup belongs.

The H. H. S. girls' basketball team now claims the championship of the county. If any county doubts this, let it challenge the locals and find out. Rah for H. H. S.

The students will put on a High School Vaudeville, at the Liberty Theatre, next Monday and Tuesday evenings, April 1 and 2. The program will last about two hours, and will consist of music, singing, stunts, and comical numbers. The committee is working hard, and the show is sure to be a success. Come out and boost old Hills.

The Hills, the H. H. S. year-book, will be a finished product by the first of May, and it will be sure to be some year-book. All the students are anxiously waiting to see the first copy.

The Students have enjoyed two very interesting talks the past week. The first was given last week by Mr. Sprague, secretary of the Y. M. C. A. at Vancouver. He told the students many interesting things about soldier life, and the connection the "Y" has with it.

Mr. Gregory, of the University of Oregon, talked to the students Monday afternoon, on the subject of getting an education. He also said something about Mr. Edison, the great American inventor. Mr. Gregory talked to the Civics class at their regular period in the afternoon.

The Senate Club has issued two challenges for debate, and both have been accepted. The Zeta Mu and Litterati, both girls literary societies, have taken up the challenges. These debates will be given some time in the near future, and will no doubt be full of spirit.

The students are now practicing on the operetta, "Sylvia," which will be staged sometime within the next few weeks. This will be the first production of its kind to be put on in Hillsboro.

Friday will be "loud sock and tie day" for all the students. Everybody wear the loudest clothes you can find. The students will give a party in the H. H. S. building Friday evening. Wear your loud costume. No cats.

COMMITTEE OF 100 TAKE DELSMAN CASE

Delsman Agrees to Enlist, but Can't get Into Marines or Navy

TILLAMOOK MOBBED HIM Maintains He is Loyal, but May Have been Indiscreet in Talk

Wm. B. Delsman, aged 34 years, a resident of this city, was roughly handled at Tillamook for alleged disloyal talk Sunday night, and was made to salute the flag and kiss the emblem of the United States. Delsman came home Wednesday evening, and was taken before a committee of 100 citizens at the Hillsboro Club rooms, where he was questioned. Delsman maintained he was loyal, and would do whatever the committee thought best. He offered to enlist and went to Portland yesterday, unattended, and tried to get into the Marines. He failed physically, and then tried the Navy, where a physical disability kept him out. He has a hernia which must be operated on before he can be accepted.

The recruiting officer of the Marines told Delsman that he would not accept him under the light of the facts even were he fit, physically. Delsman is to report back to a committee of three for future action.

The questioning was accomplished with dignity, W. G. Hare and H. T. Bagley conducting the procedure. There was talk of violence, but moderation was counseled by those who know and realize that such things get a community nowhere.

Just how the matter will be disposed of is conjectural.

Delsman has been criticised here for several months because of indiscreet remarks.

CIRCUIT COURT

Henry Wilkins was tried the past week, on a charge of non-support, and after two days of procedure the jury found him guilty. Sentence is not yet passed, but it will probably mean substantial payment to the wife or a term in jail. Wilkins said his wife for divorce several years ago. The wife entered a cross-bill, went into court, and won a decree for herself, together with alimony for the care of minor children at \$15 for a period, \$10 for a period, and \$5 for a period, each month of the three different terms. Wilkins paid \$15 for 15 months, and then lapsed and has done nothing to aid financially since that time. The jury heard the case thro and were out 45 minutes when he was pronounced guilty. He employed Leroy Lomax, a former district attorney of Baker County to defend him, and predicted acquittal. E. B. Tongue handled the case for the state. The jury—Jas. F. Davis, John C. Anderson, Wm. A. Verboort, Robt. Thompson, Jas. Devlin, Jas. Boland, H. T. Buxton, John Foote, S. L. Carlyle, Abbo Peters, Milton Briggs and Gustave Grabhorn.

Alb. Sementill's case against E. W. Haines for alleged balance due on wages for work performed was decided by a jury adverse to Haines. Haines alleged that he had hired the man for a term of months at a stipulated figure and he quit at a time when he was compelled to go out and hire men at higher wages and that he therefore did not owe him the amount claimed. The jury thought otherwise.
