

LIBERTY LOAN DRIVE UP TO LAST DAYS

Chairman Wehrung Sends Out Letter to Various Captains

INSTRUCTS THE MANAGERS

Asks for United Effort to Close the Drive on Saturday

The Fourth Liberty Loan drive is making headway and Chairman Wehrung hopes to have the quota raised by Saturday evening. The various captains and district managers have been more than busy the past week. As a final instruction Chairman Wehrung sent out the following letter to all the captains Tuesday:

"My Dear Captain: Permit me to call your attention to the fact that Saturday, September 28th, will be the last day for closing up subscriptions for the Fourth Liberty Loan campaign.

If your district has not already completed its quota, I would suggest that you communicate with your committeeman at once, urging them of the importance of finishing their work before September 28th.

You understand the Hillsboro quota is based on bank resources and as some of the districts belonging to us have been canvassed by outside banks, it will be necessary for each district to go over their quota a small percentage to help take care of subscriptions that have been sent to other banks, that would rightfully belong to Hillsboro.

I would suggest that you arrange with your committee to furnish you a complete list of the subscribers and non-subscribers, not later than Thursday evening, so that the executive board can arrange to assist in rounding up the non-subscribers on Friday and Saturday.

Up to date the Hillsboro banks have only received approximately 40 per cent of the quota allotted to Hillsboro, so I think you can readily see the importance of making a vigorous campaign to secure the necessary subscriptions to put Hillsboro over the top. It has been suggested that quite a number of well to do men have subscribed small amounts. If this is true there will have to be a canvass among this class of citizens.

Trusting you will see the importance of the united effort in the next few days, and will give this matter your immediate attention, I remain, your very truly,

W. H. Wehrung,
Chairman Executive Committee, Hillsboro, Oregon."

NICHODEMUS WRITES

Emmett Nichodemus, son of Mr. and Mrs. J. E. Nichodemus writes his parents from France, under date of Sept. 3: Tom Ireland, formerly of Hillsboro, and I were out tonight—went over to the Y. M. C. A. for a while. Believe me, it sure seemed good to see him, Fred Drake, who once lived next door to us (near Farmington) is also here. I suppose you know who he is. We were sure surprised to see him. Ireland is the first one I have seen from Hillsboro, and it is good to meet one from home. I went and had dinner with him. Am invited to a chicken dinner tomorrow—oh, no, I won't miss as good a thing as that. I have heard from Claude. (Think he means Claude Gray).

Mr. and Mrs. G. A. Olsen, of Mt. Zion, have purchased the Ted Morgan property on Baseline, between Second and Third, and have taken possession.

Supreme Judge F. A. Moore died at Salem this week. Judge Moore is well known in Hillsboro where he owned residence property for years.

For Rent: Farm of 24 1/2 acres; 20 acres in cultivation; 4 acres pasture; house and outbuildings. Inquire of B. F. Clay, on place, in southeast part of Cornelius. 31

J. W. Connell has taken the local agency for the Ford tractor and it can be attached to any Henry, and do the work.

Mr. and Mrs. M. C. Steeples, of Hoquiam, came over last week to spend a few days visiting with relatives and friends at Hillsboro and Gales Creek. While here they visited the fair at the Grove. Steeples was born in South Hillsboro in 1858, and is well known to the oldtimers. His wife was a Lafferty, and lived at Gales Creek prior to their marriage. They come annually on a visit, generally about Fair time. M. C. is one of the night police at the Hoquiam shipyards.

If every man who must fill out a questionnaire would read it all over carefully, and know just what his answers are, he would save himself and his advisors in the city a great deal of time. Almost anyone can understand the purport of the questions, as they are very simple. Those of draft age coming in with their blanks should first read it over, and be prepared to answer any questions their advisors may ask them relative to the answers.

Circuit Court—Ruth Realty given a decree of foreclosure against Oney Gossman, North Plains property; suit of A. B. Schoonover versus City of Cornelius, dismissed without prejudice; J. M. Mabry given divorce from Myrtle Mabry, allowing woman to take maiden name of Perry; Phillip Ensminger divorced from Helen Ensminger, declaring marriage at Vancouver null and void.

Clair Wilkes, formerly county cow tester, has gone to Camp Zachariah Taylor, near Louisville, to the officers' training school now being held. Before leaving he visited Hillsboro relatives. Miss Edith Wilkes, who has been visiting with the I. E. Wilkes here, departed this week to resume her duties with the business office of O. A. C.

Frank Fischer of below Scholls was taken before the U. S. district attorney the other day on failure to register. He satisfied the officials that he acted in good faith and thought he was 46 years of age, and he was allowed to go and register.

County road work has commenced on the Laurel-Hillsboro road, and while rain would be welcomed by many there are others who wish to see the dry spell continued a while.

Lost: Wallet containing sum of money, a lot of receipts and my registration card. Liberal reward. A. B. Packard, 1936 Oak St., Hillsboro.

All members of Hillsboro Women's Relief Corp. No. 47 are requested to send in the names of father, son or grandson now in the war for service flag to secretary.

The Militia Company dance last Saturday evening was one of the biggest social affairs of the season. Over one hundred numbers were sold, and the hall was crowded. The boys netted a substantial sum for their treasury.

A. L. Croeni, of Bethany, was in the city this morning. He says the potato crop is very short down his way and if shortage means a good price the tuber should be more than high.

Mr. and Mrs. G. A. Olsen, of Mt. Zion, have purchased the Ted Morgan property on Baseline, between Second and Third, and have taken possession.

Supreme Judge F. A. Moore died at Salem this week. Judge Moore is well known in Hillsboro where he owned residence property for years.

MILLARD GATES LIVES AND SOON RETURNS

Soldier Reported Dead, Killed in Action July 21, Very Much Alive

MATTER OF DOUBT CLEAR

Parents, Mr. and Mrs. O. B. Gates, Get Letter Dated Aug. 31

Millard Gates, wounded in France July 21, is alive, and the report by the government that he was killed in action on that date is now proven erroneous. His parents, Mr. and Mrs. O. B. Gates, all the time felt that the report by the adjutant general from Washington was error, and nothing could shake them in their belief. The first of the week they received a letter from him dated August 31, and there is joy in the Gates household as well as in the hearts of all who knew the soldier.

Telegrams had been sent to Washington only to receive the answer that the war department's record shows that the Hillsboro

soldier was dead. The letter from Millard conveys the information that he is getting along fairly well. He says that his left leg, below the knee, was shattered by a high explosive shell, and both bones will ultimately have to be grafted. He expects to stay in the base hospital at Orleans until about Nov. 1, when he expects to be sent to the United States for treatment for bone graft, and probably will be sent to Johns Hopkins, or some other notable institute for the work. He says he expects to get well and return for other war work, and he intends to take special training for auto work transporting supplies and men. It will take at least six months in this country's hospital and by that time he expects to be a sound man.

Millard is cheerful and as happy as a man could be under the circumstances and hearing from him has lifted a cloud of gloom at Hillsboro.

PROCLAMATION
Whereas, Saturday, the 28th day of September, at the hour of 1:30 p. m., has been designated as the time to dedicate the service flag for the city of Hillsboro at the corner of the Court house square;

And whereas, a program has been arranged for this occasion, including Dr. A. A. Morrison, of Portland, who will make the dedicatory address;

Now, therefore, that this event may receive the co-operation and attention of everyone, I respectfully ask that the business houses of the city close their doors from 2 o'clock to 4 o'clock of said day. The mothers of these boys in France will appreciate this consideration very much.

Dated at Hillsboro, Oregon, this 25th day of September, 1918.
John M. Wall, Mayor.
