

SUCH An Immense Crowd of Buying People, and Such Great Enthusiasm in Bargains was Never Before Witnessed in Washington Co.

Thousands of People For Miles Around
GOING TO CORNELIUS

To Attend
Hancock's Closing Out BIG SALE

Why not, when farmers can buy all kinds of farm implements, useful garden, carpenter and farm tools and all kinds of hardware so necessary on the farm for much less than present wholesale market value; on the other hand families can buy everyday necessities of life, all kinds of useful household utensils, heating stoves, cooking utensils, furniture, etc.; also all kinds of wearing apparel for men, women and children, such as useful and staple dry goods, furnishing goods, shoes, underwear, hosiery, overalls, in fact, everything you need and expect to buy for fall and winter use, at prices in almost every instance, less than present wholesale value. Cornelius never before saw such crowds as visited this sale opening day—the main street and side streets were lined with automobiles and rigs, a sight and scene never before witnessed in Cornelius. When we opened this mighty Closing Out Sale last Saturday, every minute of the day and late at night our store was packed and jammed with eager buyers, everyone expressing their appreciation of the wonderful bargains offered. Hundreds of customers were turned away Saturday, as it was not humanly possible for our sales people to wait upon everyone. If you were one that could not get waited upon, we urge you, regardless of how far you live from Cornelius, to, by all means, visit this store this week as the savings offered are beyond belief, and thousands of dollars worth of staple groceries, in fact, everything you eat and wear is being sold here, in face of war times and war prices, at far below the present market value. Merchandise is not only going higher and higher in price every day, it is going to be scarce and the person or family that takes advantage of this mighty closing out sale and supplies their present and future needs will be the ones that will profit. REMEMBER, this sale continues and the cutting and slashing of prices will keep up until every dollar worth of Hancock's \$30,000 stock is sold out completely.

\$30,000 Stock of Merchandise Sacrificed at Hancock's Store, Cornelius, Or. GOING OUT OF BUSINESS

Pete Vandehy, of Beaverton, was up to the city Friday, greeting friends.

Sunday saw the cutting off of four trains each way on the Southern Pacific, but it did not appear to make much change in the amount of travel.

Rheingold Krueger, of Cooper Mountain, was in the city Tuesday, and called on the Argus.

Reedville now has two early trains on the Southern Pacific, to take care of the shipyard workers. One goes at 6:05 and the other at 6:45 a. m.

Mrs. Agnes Schraeder, of Aloha, has received the appointment of postmaster at that place.

ONE-MAN TRACTOR

Here's what one man and a Moline Universal Tractor can do in a day of 10 hours:

- Plow 7 to 9 acres; disc 27 acres with a 7-ft. tandem; dig 38 acres with a 10-ft. disc; harrow 74 acres with a 20-ft. post tooth harrow; plant 22 acres with a two-row planter; plant 43 acres with a four-row planter; cultivate from 14 to 20 acres with a two-row cultivator; drill 35 acres with a 10-ft. grain drill; harvest 25 acres with an 8-ft. grain binder; harvest 10 acres with a corn binder; mow 25 acres with an 8-ft. mower; rake 40 acres with 12-ft. rake; rake 25 acres with an 8-ft. side delivery rake; load 12 acres of hay.

In addition, it can be used on the belt for running threshers up to 24-inch capacity, silo fillers, corn shellers, feed grinders, wood saws, clover hullers, pumps, hay presses, etc.

No end of odd jobs that can be done with the

MOLINE UNIVERSAL TRACTOR

MOLINE UNIVERSAL TRACTOR
It Solves The Farm Help Problem

Model D

Because of its ideal design, construction and performance, this new Moline-Universal enables one man to farm more land and produce more food than ever before possible. It is the world's most dependable farm hand.

New features include self-starter; electric lights; electrical governor; perfected overhead-valve, four-cylinder engine that is free from vibration; complete enclosure of all moving parts; differential lock which increases traction.

Drop forgings, heat-treated parts, steel cut gears and unusually large bearings add extra years of endurance.

These new features, together with the well known Moline-Universal type—all the weight on two wheels, one-man control and ability to do all farm work including cultivating—make the Moline-Universal Model D the best tractor money can buy.

Conservatively rated at 9-18, the new Moline-Universal has ample power for heavy belt work, and can plow as much in a day with two plows as the ordinary three-plow tractor, because of its greater speed. Yet it is light enough for such work as cultivating, mowing, etc., which do not require so much power.

We will be glad to tell you all about this wonderful tractor. The next time you are in town call on us.

William G Hare went to McMinnville last Thursday night and delivered a patriotic address in behalf of the bond issue. He was accompanied by E. J. McAlair.

Remy Delplanché, of Shelton, was in town Monday. He says that many silos are filled with corn in his section, and fall plowing has started notwithstanding the drought.

Four foot slab wood, after Sept. 1, \$2.75 per four foot cord; sixteen inch wood, \$3.25 per cord. Place your orders at once. G. H. P. Lumber Co., South Third St., Telephone 942. 1f

James H. Gray, of above Mountandale, is moving to East Hillsboro, and his family will come down in about a month to make this place their home for the winter, at least.

A. Anderson, of Helvetia, was in the city Monday in his Ford. Years ago Anderson generally walked into Hillsboro every two weeks or such a matter, just to get himself into condition.

E. Klinger, of Tualatin, who has put out more rock for the county than any other individual in the section, was up to the county seat Monday morning, to get in touch with the court.

John Conzelmann, of near Sherwood, was up to the city on Monday. John says that the prospects for a late potato crop are better down his way than they were last year, in many places.

Mr. and Mrs. T. E. Cornelius, of Gales Creek, have moved to Portland, where they have purchased a home at 1170 Clinton Street. They were in Hillsboro the last of the week telling their friends adios.

For Sale: 4 registered Poland China sows; 15 pigs. Take O. E. to Milkapsi, return half mile towards Hillsboro. Wagon road; take Baseline road east of Hillsboro and inquire at Chase place, two miles east, Roy Turrell. 29

By the token that Wm. Schulermerich and C. W. Redmond left last week for Salem it was known that the State Fair opened Monday morning of this week. It has been many a year since this twain forgot to go to Salem the latter part of September.

Chas. Robinson, of Laurel, started into Portland Monday with a load of spuds, and before he reached the Portland mountain met a man who bought his load at a better price than he could get in town. He returned with the cargo to Beaverton and unloaded. Chas. says that potatoes are a poor crop this year but \$2.50 per cwt. isn't so bad, after all.

The old box stalls just east of the Wiley barn, in the Wiley corral, caught fire about 11 o'clock Saturday night and before anyone discovered the flames they were shooting sky-high. The department soon had it extinguished. There was no wind or it might have proven a costly bit of fire, as the big Burkhalter barn, occupied by Emmott Quick, was directly north, and the big Wiley barn directly to the west, with all kinds of wooden structures close by. No one knows what started the blaze.

Archbishop Christie, who is well known to Catholics and Protestants alike in Washington county, delivered an address at Fort Stevens, Ore., last Sunday, in which he said: "While we hope for an early peace the people must not relax, but give of their substance and their lives until America has fulfilled her mission on earth, that of giving to the nations of the world the liberty conceived by our illustrious forefathers, and defended to this day, by the valor of their sons." His Grace said that the Master's command, "Render unto Caesar" today meant "Render unto America all you have," buy Liberty Bonds, give to the Red Cross and give your life. He asked his hearers if there was anything too good for Uncle Sam. Archbishop Christie has always been noted for his patriotic attitude.

A GALLANT MAJOR

Newspaper men in the Northwest will be interested to know that Major Manton C. Mitchell, in France, cited for bravery, and recipient of the Cross De Guerre, is now recovering from wounds received and is convalescing in a base hospital in France. Major Mitchell was a first lieutenant in the old First regiment, and was in the Hawaiian Islands when Boyd K Long was an enlisted man in L. Company. He was promoted from captain to major after he went to France. He and twenty volunteers swam a river in France and cut the wire entanglements so the allied French and Americans could take the town from the Huns. He was successful in the effort but was wounded and laid for hours on the battlefield before he was carried in. Major Mitchell is married and his wife is a daughter of the late John F. Carroll, editor of the Journal and later of the Telegram. Mrs. Mitchell resides with her mother in Portland.

Major Mitchell, when a lieutenant, at Honolulu, performed the last obsequies over the ashes of the late Kenyon Crandall, uncle of L. A. Long, in the harbor at that place, with an appropriate service by the Chaplain of the regiment.

THREE COYOTES KILLED

John Wenger and a party of companions killed three coyotes in the West Union country last Sunday—a female and two of her whelps. John was in Monday and took ten dollars out of the county treasury as bounty, under the state law. J. C. took his hounds with him, and they ran the felons out of the cover on the Jacobsen and Pablos places and J. C. shot one, Louie Lehman, of Portland, one, and Philip Petzoldt Jr. of Phillips shot the third one.

Wenger says his hounds will run them out if any dogs can and ranchers who are bothered with this species of sheep killers are urged to get in touch with him. Several head of sheep were killed in the West Union section last spring, and these three will do no more damage.
