OUR SUCCESS PROVES THAT SERVICE COUNTS

We firmly believe that our success has been due to one thing.

Never being afraid of doing too much for our customers.

We've served our patrons instead of being satisfied with just selling things for a cash profit.

And we are always going to serve them.

We are always going to give them just a little more than they expect.

For instance, we are always going to give them the benefit of our knowledge of good groceries.

This means that we not only keep our shelves filled with the best groceries on the market, but that we suggest things to our customers which we think are especially fine.

One of these things is RYZON Baking Powder.

We recommend it because we are convinced that everyone who tries it will be a still better friend of ours.

It costs but 40 cents a pound.

We also secure for our customers the famous RYZON Baking Powder Book, at 30 cents (original price \$1.00.) It's full of new and attractive recipes which have all been tested. Of course, especially adapted to RYZON.
