

PRINCE ALBERT

TALK about smokes, Prince Albert is geared to a joyhandout standard that just lavishes smokehappiness on every man game enough to make a bee line for a tidy red tin and a jimmy pipe—old or new!

Get it straight that what you've hankered for in pipe or cigarette makin's smokes you'll find aplenty in P. A. That's because P. A. has the quality!

You can't any more make Prince Albert bite your tongue or parch your throat than you can make a horse drink when he's off the water! Bite and parch are cut out by our exclusive patented process!

You just lay back like a regular fellow and puff to beat the cards and wonder why in samhill you didn't nail a section in the P. A. smokepasture longer than you care to remember back!

Buy Prince Albert everywhere tobacco is sold. Toppie red bags, tidy red tins, handsome pound and half pound tin humidors—and—that clever, practical pound crystal glass humidors with sponge moisture top that keeps the tobacco in such perfect condition.

A scientific service in lubrication

The Standard Oil Company Board of Lubrication Engineers study the lubrication needs of each make of automobile and prescribe Correct Lubrication.

By exhaustive study and actual tests these experts have determined the correct consistency of Zerolene for your make of automobile. Their charts and recommendations are made a part of you in the Zerolene Correct Lubrication Charts. There is a separate chart for each make of car.

Zerolene is correctly refined from selected California crude oil. It keeps its lubricating body at cylinder head, valve compression, gives perfect protection to the moving parts and deposits least carbon. It is the product of the combined resources, experience and equipment of the Standard Oil Company. Get a Correct Lubrication Chart for your car. At your dealer's or our nearest station.

Stand by the Nation

PATRONIZE THOSE WHO SUPPORT THE GOVERNMENT.
 Emory Olmstead, City Chairman of the Victory Loan in Portland, says that all fire insurance companies of Oregon are not helping the government by subscribing to the Victory Loan, the only exception being the Pacific States Fire Insurance Company, which has subscribed liberally not only to the Victory Loan but to all preceding loans.
 You can show your patriotism by doing business with a real patriotic organization.

If you come once-- you'll come again

It's always hard to go into a grocery store the first time. You never know what is in store for you.

You wonder what the clerks will be like, what kind of groceries will be for sale, will they deliver your purchases or will you have to carry home an unwieldy parcel? Don't have any doubts about our store.

Come in and see us. We guarantee that there won't be any "ice to break."

We do everything you expect a real service grocery store to do for you and a little more, and the goods we have for sale are the kinds of things that you want to put on your table. There's nothing on our shelves that we think might displease a customer. Anything we sell we can safely recommend.

One of these things is RY-ZON Baking Powder.

We studied baking powders and we can truthfully say that this is one of the best powders for home baking we've ever seen.

It's pure and clean. It's always uniform in quality. It's economical—because less is required and because the price is low. A full weight pound costs but 40 cents.

REEDVILLE LOSES

Ripping great ghastly holes in the outer and inner defenses of their opponents, mercilessly smothering all counter attacks, Beaverton staged a terrific comeback by crushing Reedville in a furious ball contest on the Hillsboro grounds last Sunday. Costly, heart-rending errors on Reedville's part lost the game when it was yet young, and when the smoke and debris of the unspeakable bombardment had vanished in the mists of the evening, it revealed the Reedville host broken, bleeding, battered and beaten upon the field. The score was 13 to 3. New faces in the Beaverton line-up was partly responsible for the catastrophe, or words to that effect.
