

WM. JENNINGS BRYAN VISITS OLD HILLSBORO

Celebrated Nebraskan Talks on Chautauqua Lecture Platform

FRIEND GIVES LUNCHEON

Fourteen at Table Break Bread With Distinguished Citizen

Hillsboro was treated to a genuine evening of pleasure and mental profit last Friday evening when William Jennings Bryan visited the historic county seat and delivered a lecture at the Elison-White Chautauqua platform on the court house square.

Mr. Bryan, accompanied by Dr. J. W. Morrow, of Portland, and Collector of Customs Moore, arrived here at 5:30 and was driven to the home of Chas. E. Wells, Chairman of the Chautauqua Committee, and a splendid luncheon was served at which the distinguished Nebraskan was the guest of honor.

There were fourteen at table, and Mr. Bryan was at himself equally as well there as on the lecture platform. He at once put all at ease, and in an informal way discussed world issues and world events.

Andrew Benson, of Cornelius, was an Argus caller today. Wm. Metzler, of South Tualatin, was in the city this morning.

Frank Imbrie, of Orenco, was a city caller yesterday morning. See the Hillsboro Trading Co. about selling your oats, hay, wheat, chickens, pork, etc.

Louis Helms, of above Blooming, was in town yesterday. He knows how to turn out a fine product from his prune drier.

For Sale—Mare, 10 years old, about 1100; single harness and light single wagon; will sell cheap for cash or trade for livestock.—Frank Greener, Hillsboro, R. 5; telephone 4RX6.

The A. S. Lytle place of 10 acres in Virginia Place, has been sold to Chas. Fagar, of Spokane. The deal was closed by A. R. England and the purchase price was \$2800.

Melons—and melons—from a 10-cent cut to a carload. Why buy a whole melon if you only want a part of one. We also want them. Follow the crowd and you will find us opposite the Oregon Electric depot.—Rushlow's Confectionery.

The funeral services of the late Fletcher Bragg will be held at the Donelson Undertaking Parlor at 2 o'clock this afternoon. He was aged 53 years, and leaves a wife, two sons and two daughters. The burial will be in the Laurel cemetery.

George Biersdorf was elected president; J. J. VanKleeck, Vice President, and N. C. Jamison, Secretary and Treasurer. It was voted to hold a meeting at the Banks Fair in the fall.

Perkins now has his free air and water system installed—drive up and help yourself. You are welcome.

COMPLIMENTED

Mrs. John Bergen, of East Hillsboro, complimented Chas. F. and Elmer E. Gray, sons of Mr. and Mrs. Jas. H. Gray, at her home one night last week, in honor of the two brothers' service with Uncle Sam. There was music and refreshments and the members of the Gray family were present, including the grand-mother, who is very proud of the grandsons. Chas. F. spent six weeks and twenty-one days in the Argonne, and during much of the time was not divested of his clothing, so hard was he pressed. At one time, when he was hunting for the lost battalion he was five days without food. Mrs. Ole Johnson, of East Dairy, sent the brothers each a beautiful silk flag as a memento of their patriotism.

BIGGEST POOL

Returns have been received for the record mole pelt pool in which there was 2782 pelts sent by 182 shippers.

After deducting express and other costs the check amounted to \$644.39, which was an average of a little more than 23 cents per pelt. The low average was due to the poor quality and handling of some of the pelts, as some of the lots averaged 35c each. Some of the finest quality pelts bring as high as 50c per pelt.—County Agent.

CATTLE CLUBS FORMED GUERNSEYS-HOLSTEINS

Frank Connell, President of Holstein; W. Goodin, Guernsey Club

TO PROMOTE BETTER HERD

Breeders Taking an Interest in Registered Stock, Have Sessions

Two more clubs for the promotion of the breeding of pure-bred dairy cattle were formed in Washington County the past week.

The Holstein breeders at a picnic held at the farm of Frank Connell, got together for the first time and organized a Washington County Holstein Cattle Club. Prof. P. M. Brandt was present and spoke of the opportunities of the breeder of pure-bred live stock at this time. S. B. Hall, the president of the State Holstein Cattle Club, also gave an interesting talk as did Mr. Frakes, of Seapooze, the pioneer Holstein breeder of the state.

The herd of Mr. Connell was inspected by the visitors and was pronounced one of the best herds in the county and is the only Holstein herd which is doing semi-official testing.

Frank Connell was elected president; S. C. Inkley, vice-president, and N. C. Jamison, secretary and treasurer.

The other club formed was the Washington County Guernsey Cattle Club. Guernsey breeders from all over the county met at the farm of Henry T. Hesse. After the picnic dinner, breeders listened to interesting talks given by pioneer breeders of the county, among them Ferd Groner and W. A. Goodin, also Mrs. A. I. Hughes, of Clackamas County, and Prof. Brandt made an interesting talk, stating that only 3 per cent of the cows in the United States were pure bred, and that the field for pure bred stock was unlimited. R. L. Smith, of the Carnation Milk Products Company, gave an interesting talk on what he had seen in the Guernsey Islands.

The club organized with a membership of 16 members, and elected W. A. Goodin, president; James Batchelder, secretary and treasurer.

POULTRY CULLING

A demonstration in the culling of non-laying hens from layers will be held at the farm of H. E. Thompson, at Oak Park, Friday, July 25th, at 10 a. m.

Prof. C. S. Brewster, of the O. A. C., will be present to conduct the demonstration. Prof. Brewster has had considerable experience in this line of work, having culled thirty or forty thousand birds in one of the Eastern states and since coming to Oregon has culled a large number of flocks. It has been found that in some yards as high as 30 per cent of the birds were non-layers and on their being eliminated the remainder produced as many eggs as had the entire flock.

At these demonstrations the method of culling will be explained so that the poultrymen may later cull their own flocks.

In order that as many poultrymen of the county may attend the meetings, five other demonstrations have been arranged on the following farms: Henry Voss, Sherwood, Oregon, July 24th, at 10 a. m.; J. C. Clemens, Beaverton, Ore., July 24th, at 1:45 p. m.; F. C. Lewis, Kansas City, July 25th, at 3:45 p. m.

Wm. Meierjergen, of Orenco, was in yesterday on probate business.

Wanted—By young lady, work as typist during August. Phone 337.

Jas. H. Patterson, of the G. H. P. Lumber Co., returned last week from an extended trip to the East, visiting Pennsylvania, West Virginia and Delaware, and other Eastern states. His brother, M. L., of Wilmington, Del., returned with him, and may possibly locate on the coast. J. H. reports that he ran into some very torrid weather back East, and he visited Gales Creek last Sunday, just to get tempered a little bit before getting into the harness.

Rev. H. L. Pratt, in the nineties an Evangelical minister of this city, is dead, passing away at the home of a brother, at Maupin, Oregon. Pratt was a native of Minnesota, and was aged 60 years. He came to Oregon 38 years ago and settled at Corvallis. At one time he was the Evangelical Presiding Elder for the Salem district. Mr. Pratt is survived by his widow, and four children, Clara, Lois, Kenneth and Gordon, all residing in Portland. Deceased suffered a paralytic stroke July 6, and never rallied afterward.

CITY MAKING APPEAL

The City of Hillsboro is appealing the case wherein the North Coast Power Co. was given a favorable decision as to the charge for hydrant service, and the case will go to the Supreme Court. It is understood that the ruling of the Public Service commission that the water company could receive a charge not in consonance with the contract-franchise is not according to law, and consequently Hillsboro is asking that the lower court be reversed.

BOYS WANTED

We have started budding again and have work for several more boys. Big wages and steady work for about 8 weeks. Oregon Nursery Co., 20-21 Orenco, Ore.

Big Frank Allison, one of the genial conductors on the Southern Pacific passenger running thro Hillsboro, says he has never seen travel better, and that it has kept up as strong as it was during war time when the government was sending out hundreds of soldiers. He says he can't account for the big travel unless they just like to "ride on a good line."

Bruce Schulerich, of Scholls, was the recipient of the biggest condenser pay check sent out this season for June, the amount bordering the \$900 mark. Bruce will harvest 12 acres of onions this fall, and he says the crop looks pretty well.

Mr. and Mrs. Paul Landauer returned from Los Angeles to their West Union home last night bringing with them the two grandchildren whose mother, the late Mrs. Hagerman, the daughter, left to mourn her loss. On their return North they stopped and visited their son, Frank, at Calwa City, whom they had not seen for 19 years.

The electric storm yesterday morning did a great deal of damage down in Linn and Marion counties, but the lightning gods fought shy of injury to Washington county. The electric light system went on the blink for a few minutes, and the siren wires were clogged when an alarm was sent in—so we once more heard the old fire bell, which has been mute for many months.

C. E. Hedge, of Beaverton, received the nomination as postmaster for the Garden City, the last of the week, and his name has been sent to the Senate for confirmation. Mr. Hedge was one of the several aspirants who wrote at the examination, and he has had much clerical experience. He was at one time in the mercantile business at Beaverton, and has had much experience as school clerk.

Albert Tozier, always a Hillsboro favorite, is again back on his homestead at Dec, near the base of Mt. Hood. Albert is going to put in the hot season on up where he can see the snow line, and watch the mosquitos slowly freeze to death. When the Fall breaks he is going to come back down to the valley where he can take a day off occasionally and give T. S. Weathered some good, friendly counsel.

LOCAL BALL TEAM DEFEATS WOODBURN

Boys Visit Marion County Town and Bring Home the Bacon

VICTORS EIGHT TO SEVEN

Gray, Pitcher for Hillsboro, Regular Argonne Artillerist

The Hillsboro baseball nine went over to Marion County, Sunday, and played Woodburn a rousing game, returning home with the bacon by a score of 8 to 7. The Woodburn contingent put up a fine battle, but the pitching of Gray for Hilltown proved too much for the contenders. He was in fine form and struck out fourteen men, holding Woodburn down to seven scattered hits.

Woodburn has a fast team, and the breaks were even throughout. Williams, who pitched for them, was in good form, but Hillsboro's batters had his range and touched him up for 12 safe drives. It was a regular game and one that was worth seeing. Erwin made a home run, and as the hits were all well bunched everything counted. At that it was mighty close game as the score indicates.

The line-up for Hillsboro was: Bachelor, 3rd base; Long, short stop; Erwin, 2nd base; Burkhalter, 1st base; Miller, center field; Scheidel, catcher; Dillon, left field; Zimmerman, right field, and Gray, pitcher.

A number of fans went along so the boys would have a little cheering, and the visitors returned well pleased with the day's trip.

Guthrie & Co. have built the highway clear thro to Reedville, going East and they are now getting their work under satisfactory swing. They will get to Beaverton by Sept. 1 unless something unexpected interferes. The company now has its Hillsboro mixing plant about ready for operation, and laying will soon begin.

The old Badger Lumber Co. site has passed into the hands of a practical retail lumber dealer R. L. Tucker, formerly owning a yard at Beaverton, having acquired a lease. Mr. Tucker also had yards at Tigard and Donald, and until June 1 was in charge of the retail department of the Northern Pacific Lumber Co., of Portland. He expects to put in a complete stock of lumber and building material, and will breathe the breath of life into that section of the city.

Kenyon F. Long, yardmaster for the Great Northern Railway at Williston, on the East slope of the Rockies, arrived here Tuesday for a visit with his brother, L. A. Long, of the Argus. The two brothers had not met for over 33 years. Prior to going on the Great Northern, Mr. Long was in charge of the industrial department of a railway whose terminals were in the states where the Governor of one commonwealth said to the other governor—"It's a long time between drinks." He is accompanied West by his wife and daughter, Miss Marie, and they will visit relatives in Portland and Clarke County, Wash., for several weeks. Mr. Long thinks the Oregon country is the one best section that he has ever seen, and he has seen some mighty good country.
