RAILROAD DIRECTOR ADVISES FULL CARS

Demand for Tonnage is Greater
Than During War

SHIPPERS ASKED TO LOAD
Say That Laxity Prevails to an
Alarming Extent

As this is the season shipping of farm products begins, the shippers are asked to load their cars to full capacity, so as to offset the danger of a car shortage. Gen. Manager Dyer, of the S. P. & Western Pacific lines, says:

"Shippers are relaxing their efforts to preserve the advantage of the full carload, believing apparently that we have a surplus of cars, and that the restoration of peace makes heavy carloading unnecessary. This is an erroneous and dangerous impression. The demands of peace will equal if not exceed the necessities of war. Much material, stored during the past year or two, is now being absorbed by the markets as fast as it can be moved. We are moving 500,000 tons of barley out of the State. The fruit crop is one of the heaviest in history. We are confronted with the prospects of an exceptionally heavy movement of all commodities this fall. If the wine grapes are to be moved east, that will mean approximately 28,000 cars additional.

New equipment has not been available during the war. If shippers are to realize the full use of cars that we have, they must continue to load ten per cent in excess of the marked capacity of cars wherever possible. Our figures show that in June over 2000 cars were wasted, due to the fact that there was a falling off in loading of over two tons per car on our lines. This means that shippers were depriving themselves of the use of those 2000 cars.

Learners appeal to all shippers to resume at once the full carload which enabled us to move the war crops, for our peace products will exceed those of the past few years, and the world will need them just as badly.

KIRKPATRICKS' WIN

The Kirkpatricks, of Portland, invaded Reedville, and assisted by heavy artillery action, costly errors in Reedville outfield, hum decisions by the visiting team's umpire, and some Reedville hard luck, won their way to a 6 to 3 victory. At that it was the best game played this season on the local lot. The pitching of Weisenback stopped heavy scoring, and were it not for that fatal leak in right field the score might have looked different. A feature of the game was a three-base steal by Howard Churchley, and the perfect functioning of Reedville's scrappy back-stop.—A Fan
