E. E. REEVES GETS OVERLAND SEDAN

Elks' Car Disposed of on Main Street, Last Saturday

BIG CROWD SEES EVENT

Fifth Number Drawn Contained the Winning Number

E. E. Reeves, electrician with the Perkins sales force, was the lucky man to get the classy Overland Sedan given away by the Elks' committee, last Saturday afternoon, on Main Street. There was a good sized crowd at the final, and quite a number of tickets were disposed of prior to the sale.

Little Helen Pranger, daughter of F. L. Pranger, drew the ticket which corresponded to the one held by Mr. Reeves—the fifth draw being the favored pastebord. Reeves was present when the award was made and after giving the little girl a ten dollar note, drove his coveted prize away.

The car was a beautiful one and was bought by the Elks early in July to be used in connection with the Salvation Army drive. In case of a surplus the excess was to go to the Salvation Fund, but, like the core to the apple, there isn't going to be any surplus, as sales were very slow. As the Elks contributed over \$800 to the drive, aside from the personal donations, they are not feeling downhearted. Sam Weil was the chairman of the committee. The winner of the car had just sold his Ford a day or so prior to the drawing, and he stood in need of a machine.

The lucky ticket bore the number 1000B.

MRS. LAHAIE

Mrs. Margaret Chantal LaHaie, wife of Ferdinand LaHaie, of Verboort, died Sept. 6, 1919. She was born in Quebec, Canada, Feb. 10, 1852, and came to the United States in 1880, and to Oregon in 1894, settling in Verboort in 1907. She was married to Mr. LaHaie in Canada, in 1873, at Ottawa. She is survived by the husband and following children: Mrs. Dora Reifentath, Gaston; Roma LaHaie, Kelso, Wn.; Mrs. Jas. H. Davis, North Plains; Mrs. Hiram Davis, Beaverton; Oscar, Timber; F. P. LaHaie, a Chief Mate in the U. S. Navy, stationed out of New London, Conn.; Amos, Timber, and Mrs. Lawrence Vandehey, of Gales Creek.

The funeral took place from the Verboort church and interment was in the local cemetery.

HYDE SURGEON GENERAL

Dr. L. W. Hyde was last week elected Surgeon General at the National Encampment of Spanish War Veterans, held in San Francisco. The honor is a big one and a splendid notice of the Pacific Northwest. It will be remembered that the Second Oregon did valiant work in the Philippine engagements, and Oregon was entitled to recognition.

According to the Beaverton Times the Tile Factory at that place is being dismantled and the machinery shipped to various sections of the Mississippi Valley. The building is soon to be salvaged and the industry pass for all time. Beaverton naturally regrets seeing the institution lost to the town.

The rains the last of the week played havoc with the road leading into the city from the West, between Baseline and Washington, along the Tillamook line, and many a motor truck was stuck on the detour. By Sunday noon the road had dried enough to negotiate, but by Monday night it was again a mess of goo, with the motors whirling the wheels without any headway. Meanwhile travelers are praying for a spell of decent weather in order to make getting into the town possible without the use of profanity or prayer.

COUNTY SCHOOL FAIR SEPTEMBER 18 AND 19

Supt. Frost Expects Big Attendance as Interest in Manifest

FRIDAY TO BE THE BIG DAY

Big Parade Will Form on 19th, High School Grounds, at 10:30

Preparations are well under way for the Washington County School Fair, which will be held at Hillsboro, on Thursday and Friday, Sept. 18 and 19, on the Court House square. The main tent is 30x100 feet, the poultry and stock tent, 20x64, and a demonstration tent, will make the cover for the event. The poultry exhibit coops belonging to the scholars were destroyed in the Forest Grove fire, and ten new 5-section coops have been ordered so that the chickens and rabbits will have comfortable and attractive covers. A considerable number of enterprising schools have already made reservations for booths.

The exhibits will be in place Thursday morning, Sept. 18, and the judging will be made and ribbons awarded that afternoon.

The big day is Friday, the 19th. A parade in which various schools will illustrate industries and historical events will form at the High School grounds, three blocks North of the Hotel Washington, at 10:30 a. m., and pass through the principal streets, disbanding at the court house square.

About \$200 in prizes will be awarded to the schools taking part in this demonstration.

The afternoon will be taken up with demonstrations by the cooking, canning and sewing clubs. The boys and girls will also try their skill in a contest of judging pigs, calves and sheep.

A majority of the schools will close on Friday, Sept. 19, to permit the students to attend the fair in a body. No pupil will be counted absent from school on the day he attends school fair.
