

Miller AD-ON-A-TIRE
Geared to the Road

Many More Miles From Your Old Tires

The Miller Ad-On-A-Tire Saves 75% of Tire Values

Don't throw your tires away simply because the tread is worn off. To do that, is waste. You lose 75 per cent of your tire value.

When you put Miller Ad-On-A-Tires on your old tires you are not merely putting on a new tread. You are virtually rebuilding your tires.

The Miller Ad-On-A-Tire is built of tough, buoyant rubber. It has several layers of fabric, breaker strip, tread, and side walls which completely cover the tire and clinch under the rim. It has the famous Miller Geared-to-the-Road tread.

Our method makes it an integral part of the tire. It cannot come loose or creep. It fits any size or any make of tire. Get 75 per cent more mileage from your old tires. Bring them to us today.

LINCOLN AND HOY HOME

M. C. Lincoln and James Hoy, veterans of the Civil War, have returned from their Eastern trip to the Grand Army Encampment at Columbus, Ohio. Hoy returned several days ago, and Lincoln returning Sunday. M. C. was absent nearly sixty days. At the encampment he ran across Mr. Hoy, Clem Shaner, Hillsboro, and John Baldwin, of Forest Grove. He also saw Mrs. W. O. Donelson and Mrs. Smith, of the local Relief Corps. He visited at Cleveland, Ohio; Chicago, Denver, and Kansas City, and spent nine days at his old home in the state of Kansas. From there he came West to Inverness, Montana, and visited his two sons, Clyde and Albert, and his daughter, Mrs. Pres. Berry, and husband. He found six inches of snow there, and mercury registering 20 below on one day of the visit.

Lincoln says this will probably be his last trip to a big National Encampment, but he may get the fever any old year.
