MRS. J. A. SHEPARD

Mrs. Deborah Watson Shepard, wife of J. A. Shepard, died at No. 3923 Sixty-ninth St., Portland, February 4, 1920, aged 67 years, 2 months and 9 days. Besides the husband, she is survived by the following children—Vilas L., of Portland; Rollo D., Portland; Mrs. Roy Berst, Beaverton, and Mrs. Earl Vaughn, Portland. Of her immediate family she leaves a brother, Ira Watson, of Buxton, and Mrs. Gillis Ewing, of Portland. The funeral took place Saturday, and interment was in the Purdin cemetery, north of Forest Grove.

For many years Mrs. Shepard resided in the Banks section.

BIRTHDAY

A pleasant surprise was given Robert Orme on his recent 15th birthday, at the home of his aunt, Mrs. Chas. Frederick, of near Newton. Games and music were the features of the event, several of the boys bringing in their cornets, trombones and violins. Light refreshments were served, and the guest of honor was presented with a pyramid cake about two feet in height. Those present were: Daisy Phillips, Matilda Hermans, Ina Hancock, Lorelei Hancock, Helene Kasey, Daisy Frederickson, Margaret Hancock, Lucy Orme, Jessie Brown, Clark Vincent, Guy Dix, Ronald Orme, Robt. Kasey, Robert Hancock, Deloren Iwashi, Giles Frederickson, Glen Payne, Clarence Kasey, Lester Montgomery, Barry Denn, Edgar Phillips, Omay Kasey and Frank Owen.

DIVORCE CASES

Mrs. Leonard Deleye, of near Cedar Mill, has sued Leonard Deleye for divorce, alleging that the husband is shiftless, and has not properly provided for herself and minor children, so that she has been compelled to work out to get the money to care for the family. She also swears that the husband accuses her of improper conduct with an aged employer. The complaint in addition says that Deleye told her he was going back to Belgium and marry a young woman.

Mrs. Lola Applegate has sued Jesse C. Applegate for divorce, alleging desertion in 1918. They were married at Ashland in 1906, and there are two minor children, for each of whom she asks a payment of \$20 per month. The defendant is ex-sheriff of Washington County, and resigned from office after being in a liquor law violation at Fanno Creek, and to which he pleaded guilty in Federal court and served a few days in jail, as well as paying a heavy fine.

DR. BAILEY WILL

Dr. F. A. Bailey's will was filed in probate recently. The petition quotes the value of property at about \$35,000. The will leaves all the personal and real property to the widow as a life estate, and gives J. W. Bailey \$10,000, stating that some distribution had been made and this would about even up the same. At the death of the widow, the estate goes to the children, share and share alike, except that Miss Eva Bailey gets the home place intact. His medical books, office furniture, medical and surgical instruments are a legacy to the son, Dr. A. B. Bailey.

Get Back Your Grip On Health

Physician Gives Practical Advice on What to Do To Help Build Up Your Strength Power and Endurance—Explains

How Organic Iron—Nuxated Iron—Helps Put Renewed Vim and Energy Into the Veins of the Weak, Nervous and Run-Down—

Thousands of men and women are impairing their constitutions, laying themselves open to illness and literally losing their grip on health simply because their blood is thinning out and possibly starving through lack of iron.

To possess the power, energy and endurance that win the blood should be rich in strength-giving iron. For this purpose physicians believe explain why they prescribe organic iron—Nuxated Iron—which by enriching the blood and creating thousands of new red blood cells often quickly transforms the flabby flesh, toneless tissues and pallid cheeks of weak, anemic men and women into a glow of health. It increases the strength of delicate, nervous, run-down folks in two weeks' time in many instances.

In explaining why he regards iron as absolutely essential to the greatest development of physical and mental tone, strength and blood-builder, in its power, Dr. George H. Baker, formerly well known as an eminent public health physician and Surgeon, Monmouth Memorial Hospital, New Jersey, says: "Behind faults and modern methods of cooking have robbed us of much of the iron which Nature intended we should receive."

Iron is today being used by over three million people annually as a simple, safe, and effective means of increasing the red blood corpuscles, increasing the strength of delicate, nervous, run-down folks in two weeks' time in many instances.

Mr. and Mrs. J. C. Wilson, of Orenco, are spending the winter at and near Los Angeles, Cal.

NOTICE TO CREDITORS

In the County Court of the State of Oregon for Washington County. In the Matter of the Estate of Katie Landauer, deceased.

Notice is hereby given that the undersigned has been duly appointed by the above entitled Court, as Administrator of the estate of deceased, and has duly qualified as such. Now, therefore, all persons having claims against said estate are hereby notified and required to present the same, together with proper vouchers therefor, to the undersigned at the law offices of Hare, McAlear & Peters, in the American National Bank Building, in Hillsboro, Oregon, within six months from the date hereof.

Dated this 29th day of January, 1920.

Paul Landauer, Administrator of said estate.

Hare, McAlear & Peters, Attorneys for Administrator.

Numbers of men and women who were all the while have most astonishingly increased their strength and endurance simply by taking iron in the proper form. And this after they had, in some cases, been suffering for months without obtaining any benefit.

Therefore I strongly advise those who feel the need of a strength and blood builder to get a physician's prescription for organic iron—Nuxated Iron—or if you don't want to go to this trouble, then purchase only Nuxated Iron in its original packages and see that this particular name (Nuxated Iron) appears on the package.
