**BANKS ELECT**

Banks had a real city election last Saturday and the following are the new officers for the newly incorporated city:

Mayor, W. L. Moore; council, F. O. Galway, W. G. Walker and Cass Wilson; recorder, R. C. Coffield; treasurer, Leona Walker; marshal, O. D. Dreeszen.

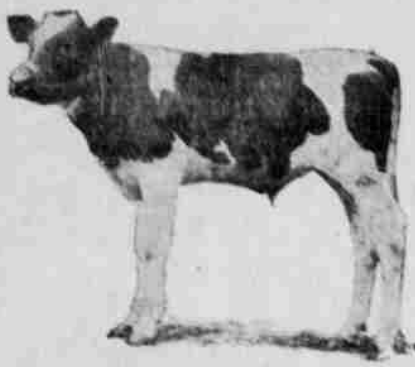

Mayor Moore was in the city Tuesday, making the preliminary arrangements to place the name of John F. Carstens on the republican ticket before the primaries as a candidate for county commissioner. Mr. Moore says that banks want representation on the county court, and that the candidate, being one of the heaviest taxpayers in the county, and a good business man, will make an ideal county commissioner. Banks will get behind him, Mr. Moore says, to a man, and they are sanguine of his nomination and election.

**JERSEY BREEDERS**

The Washington County Jersey Breeders' Association will meet in Hillsboro, Saturday, March 20, at 10:30, for an all day session to consider important matters of business. One of the most important subjects for discussion will

be the State Jersey Jubilee which will be held early in May to celebrate the performance of a Washington County cow. The Jubilee is being made an annual event and though this county was omitted last year, one third of the time will be spent here this year, and the breeders are planning to receive the visitors in true Wash-

ington County style. All friends of the Jersey breed are invited to this meeting and a good time is assured. Geo. E. Biersdorf is president of the association, and he expects all the members to be present with their lunch baskets so they will not miss any part of the program. —Co. Agent.

The 30x3, 30x3½, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

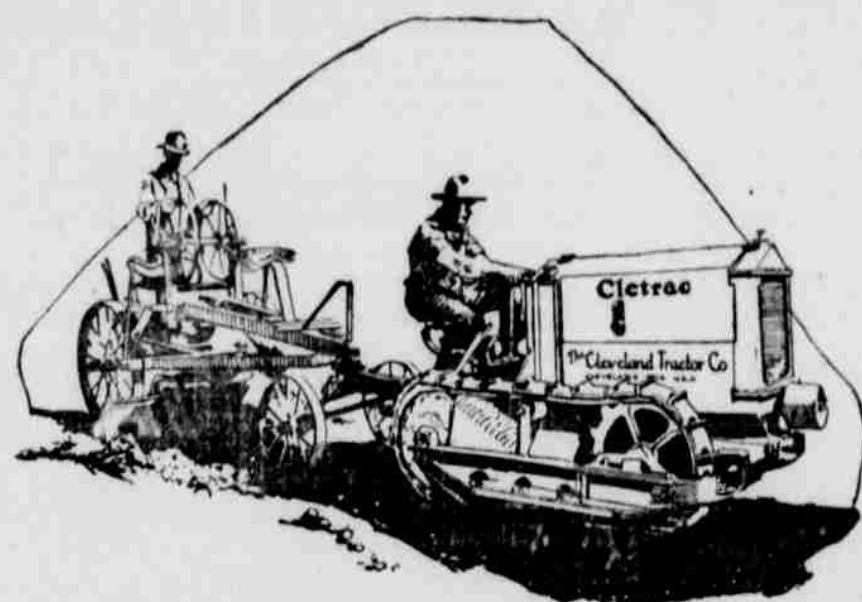

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.
