CANDEE HATCHED CHICKS

The Kind that Live and Grow
Day Old S. C. White Leghorn
Chicks—\$20 per Hundred

We have a limited number of day-old chicks to offer at this price. Chicks from a strain that has been bred specially for heavy laying. Our first hatch comes off

February 25, 1920

and every eleven days thereafter during the hatching season. With every order for chicks this season, we will give, free of charge, our booklet on care and feeding of the baby chicks. This booklet also contains valuable information on breeding, mating, and feeding laying hens. It will be sent as soon as the full purchase price for the chicks is received.

Hatching Eggs for Sale At Reasonable Prices

Come and see for yourself the strong, sturdy stock in our plant and the Mammoth Candee Incubator in operation.

You will find us here any time during the day and we will be glad to have you visit us whether you bring an order with you or not.

Place is one-half mile north of new Highway and S. P. Electric at Tobias Station. Watch for the sign.

FINDS GOLD TWENTIES

N. A. Davies, of Netarts, who recently came over to look after the affairs of his mother-in-law, Mrs. Gabbert, in going through the household effects discovered 125 twenty-dollar gold pieces hidden in a lead pail which was stowed away in a jar, with things packed about it. This is one of the largest amounts of gold seen in the Kinton section for some years.

HELEN MARY BROWN

Helen Mary Brown, aged 4 years, 9 months and 11 days, died March 7, 1920, at the Smith Hospital, and the funeral was held at Laurel, March 8. Rev. Schmalie conducted services. The child's parents, Mr. and Mrs. Finis L. Brown, were both ill at home and were unable to attend the service. The little girl was operated on for appendicitis several days ago. The friends of the parents extend to them their sincere sympathy.

MY AUTO, 'TIS OF THEE

My auto, 'tis of thee, short road to poverty; of thee I chant. I blew a pile of dough on you three years ago, and now you refuse to go, or won't or can't. Through town and countryside, you were my joy and pride—a happy day. I loved thy gaudy hue, thy nice, white tires new, but now you're down and out in every way. To thee, old rattle-box, came many bumps and knocks; for thee I grieve. Badly thy top is torn; frayed are the seats and worn; the whooping cough affects thy horn, I do believe. Thy perfume swells on the breeze, while folks all choke and wheeze, as we pass by. I paid for thee a price, 'twould buy a mansion twice; now everybody's yelling "ice!"—I wonder why? Thy motor has the grip, thy spark plug has the pip, and woe is thine. I, too, have suffered chills, ague and kindred ills, endeavoring to pay bills since thou wert mine. Gone is my bankroll now; no more 'twould choke a cow as once before. Yet, if I had the mon, so help me John, I'd buy a car and speed some more.—Walt Mason.

The New LEXINGTON Minute-Man Six

PRICES

Touring Car - - - \$2425
Lex Sedan - - - \$2850
Sedanette - - - \$3125

You want your new car to be comfortable and mechanically dependable, as well as attractive in appearance. You want it to embody marks of distinction that will continually show evidence of your good taste and judgment—a car that will not only be admired, but that will bear up under the most severe tests.

These are only a few reasons why you will approve the new Lexington models. Every car that leaves the Lexington factory bears the unmistakable stamp of master workmanship and "built in" quality that characterizes Lexington Vehicles.

The Lexington recognizes no peer in abundance of power, efficiency of spring suspension, easy steering and economy in cost of operation and upkeep.

Lexington owners enjoy the lasting satisfaction of full value received for every dollar invested.
