CANDEE HATCHED CHICKS

The Kind that Live and Grow
Day Old S. C. White Leghorn
Chicks—\$20 per Hundred

We have a limited number of day-old chicks to offer at this price. Chicks from a strain that has been bred specially for heavy laying. Our first hatch comes off

February 25, 1920

and every eleven days thereafter during the hatching season. With every order for chicks this season, we will give, free of charge, our booklet on care and feeding of the baby chicks. This booklet also contains valuable information on breeding, mating, and feeding laying hens. It will be sent as soon as the full purchase price for the chicks is received.

Hatching Eggs for Sale At Reasonable Prices

Come and see for yourself the strong, sturdy stock in our plant and the Mammoth Candee Incubator in operation.

You will find us here any time during the day and we will be glad to have you visit us whether you bring an order with you or not.

Place is one-half mile north of new Highway and S. P. Electric at Tobias Station. Watch for the sign.

You want your new car to be comfortable and mechanically dependable, as well as attractive in appearance. You want it to embody marks of distinction that will continually show evidence of your good taste and judgment—a car that will not only be admired, but that will bear up under the most severe tests.

These are only a few reasons why you will approve the new Lexington models. Every car that leaves the Lexington factory bears the unmistakable stamp of master workmanship and "built in" quality that characterizes Lexington Vehicles.

The Lexington recognizes no peer in abundance of power, efficiency of spring suspension, easy steering and economy in cost of operation and upkeep. Lexington owners enjoy the lasting satisfaction of full value received for every dollar invested.
