Roads Seem Pressed Flat By Wonderful New Triplex Springs

THE wonderful Triplex Springs of Overland 4 effect such a change in riding comfort that bad roads now seem to ride like good roads.

Overland 4 has the steadiness of larger cars of long wheelbase, with the light weight, ease of control and low fuel and tire expense of 100-inch wheelbase.

Equipment, including Auto-Lite starting and lighting and three-speed transmission, is high class, in keeping with the general character of the car.

HIGHWAY NAMED

B. W. Barnes, Secretary of the Hillsboro Club, recently received the following letter anent the adoption of the name for the State Highway, which was selected by the Club—"The Tualatin Valley Highway":

"Dear Sir:

I am pleased to advise you that the Highway Commission at its meeting on March 23rd approved your suggestion that the State Highway between Bertha through Hillsboro, Forest Grove, and Gaston to McMinnville be designated as the Tualatin Valley Highway and made an order that this should be so designated on the official maps and records of the Commission.

The matter of signing this Highway will be taken up among the first projects to be signed, with the new State Highway Standard signs.

I wish to thank you for your cooperation on this matter. Very truly yours,

Roy A. Klein, Secy."

FOR COUNTY CLERK

To the members of the Republican Party and the voters of Washington County:

Having filed a petition for nomination for the office of County Clerk, I will say in seeking the nomination, I am not unmindful of the generous treatment and loyal support I have received in the past from the county of my birth and lifetime residence. In no sense am I demanding the nomination, but will certainly appreciate it if you desire to grant it.

FUTURE OF HILLSBORO LOOKS VERY GOOD

Quarter Million Condenser—Then a Big Cannery

DAIRY & FRUIT GROWING

County Specially Adapted to Dairying and Fruit Raising

A well known business man of Hillsboro is confident that Hillsboro is just getting started as a business center. "There is no reason why Hillsboro shouldn't have a wonderful growth in the next few years," he says. "We have a condenser costing over a quarter of a million and its paychecks circulate every month, turning the dairy product of the county over twelve times each year. We have a new cannery under way reaching from block to block—and by the time it is equipped Ray & Son will have a round \$90,000 invested. It will take care of thousands of dollars worth of small fruit and is built big enough to care for a big increased acreage of fruit and vegetables. Two sawmills are running on orders ahead, and all business men are reporting good sales. The new highway is another factor—it will bring us to public notice as well as furnish an avenue to get products to town. The city is going to improve its beautiful playground—Shute Park—and why shouldn't Hillsboro grow?"
