## The COUNTRY GENTLEMAN

What I'm leading up to—subtly—is that you should start next week to read a series of articles about—I guess I won't tell you, after all, what it's about. Read this issue and see!

I will tell you this much: Look for an article by R. M. Cleveland, with a cartoon by Edwin Marcus—and see what the woman in the picture has bought with her ten dollars. Then go and spend your ten-spot the same way. It will pay you. . . . And really you need eleven dollars if you are to let me advise your spending—ten, as aforesaid, for food, and one to pay for a year's subscription for THE COUNTRY GENTLEMAN. You need not be without it from week to week for I'll have the postman deliver it to you every Thursday for a whole year for only \$1.00.
