

JUBILEE ROUTE IS MADE PUBLIC

To Pass Through Hillsboro in the Morning of May 4

AND LUNCH AT VANKLEEK'S
Big Jersey Breeders of America to See World's Champion

The Jersey Jubilee, which takes place May 4, 5, 6, will put in the first day in Washington County. The route planned begins at Portland at 8 a. m., May 4; comes through Hillsboro and Forest Grove, arriving at the farms of D. G. Lilly and Thos. Williams at 9:55, making a thirty minute stop, then going to Geo. F. Biersdorf, arriving at 11:05, stopping again for thirty minutes, and proceeding to the J. J. Vankleek farm, where lunch will be served, and the World's Record Yearling Cow will be seen. It is expected that fully 300 will figure in the county demonstration.

The crowd will then leave at 2 p. m. for the upper part of the valley, where other herds will be visited; finally ending at Salem the evening of May 6, where a banquet will be held.

The Jubilee will be opened at Portland the evening of May 3, when a banquet will be given to the officers of the American Jersey Cattle Club, and other Eastern Representatives.

The Jubilee is taking much the same route as it did last year, with the exception that Washington County is included at this time, and it is expected that more than twice the number of visitors will be received than on the previous occasion, it being stated by the committee that more than three hundred visitors will be in attendance.

Washington County breeders are making plans to royally receive the visitors, and Commercial Clubs of the County will also assist.

County Agent.

ARTHUR E. DAILEY

Arthur E. Dailey died from heart failure Monday, April 26, 1920, at his home at Laurel. Mr. Dailey was born Oct. 4, 1868, in Marysville, Cal. He was married to Mary Miller in Nebraska, and they came to Oregon in 1900. He is survived by the widow and the following children—

Walter R. Dailey, Ralph T. Dailey, Laurel; Mrs. E. J. Peterson, Forest Grove; Mrs. E. F. Losh, Hillsboro; Eddie A. Flora, Lloyd and Bessie, at home. The funeral took place yesterday at 2 o'clock at the Mt. Olive Baptist Church, Laurel, and interment was in the Mt. Olive cemetery, Donelson & Bell directing.

The Daileys lived in Hillsboro for some years and deceased had a wide circle of friends here, at Buxton, and at Laurel. He was a son of the late R. K. Dailey.

RELIEF CORPS

The Woman's Relief Corps celebrated the ninetieth birth anniversary of Mrs. Sarah Farnham, April 28, at the Farnham home, Mrs. Farnham being a member of the Corps. Those present were Mesdames Lewis, Jackson, Sabin, Vaughn, Cota, Barber, Applegate, Boseaw, Bergen, Crow, Grabel, Carlile, Bowman, Pres. Jackson; Miss Anna Sias, Miss Eliza Shorey, Miss Deborah Barrett and Mrs. Dodge.

They also tendered Alonzo Sigler a birthday shower on the same day.

For Sale—Seven milk cows. J. J. Nusbaum, Hillsboro, R. 1, Phone 18F2 North Plains. - 8

The warm weather broke the last of the week and Monday was the real thing, bringing the perspiration without much effort on the part of the genus homo. Horses in the fields suffered unless drivers were very careful. Teams coming into town with half a load were well heated up. The blooms bursted in great shape, and it was the first real oldtime Spring weather of the 1920 season. The dandelions came out by millions, and the "green" shot into the trees in great degree. The first straw hat did not make its appearance but Benton Bowman took out that Summer Alpaca of his and exercised it lovingly, and if he isn't careful some of us will swipe it from him in these H. C. days.

Sam Raffety, of Mountaineer, passed through town yesterday, enroute to Portland. Sam wouldn't verify the story that the fawns are down from the hills playing with the hams on the East Fork—but his eye glinted like the snow on Mt. Hood when he was asked weather or not it was true. One year, not long ago, a fawn got into Sam's herd of cows and was nursed by one of the cows, remaining until it was old enough for a nice piece of venison, when it left for the hills between sunset and sunrise. Sam tracked it for two miles and then lost the spoor.

The house of Fred Wright, on the Delman tract, below Road Bridge, five miles southeast of town, burned Monday afternoon, supposedly from a spark catching on the roof. The home was occupied by a Mr. Matson and wife, and they were away from home at the time the blaze caught. Erwin Ritter, of Washington County Fire Ins. Association, came up yesterday and adjusted the loss at \$800. Mr. Wright moved away a few days ago to the Hubbard country, where he has rented a place.

The pupils of the grade schools, under the direction of the health authorities, have been vaccinated or asked to leave school for a period of two weeks. The order came because of two or three cases of small pox. The malady is very mild in form. No order has yet been promulgated for the High students, and where families have students in both schools just how vaccination of one and non-vaccination of the other counts for a great deal isn't understood.

Methodist Episcopal Church, Third and Washington (The Church of the Friendly Greeting) Walton Skipworth, pastor, 9:45 a. m., Sunday School; 11 a. m., public worship; 7:00 p. m., Epworth and Intermediate leagues; 8:00 p. m., sermon; choir practice, Wednesday evening; prayer meeting, Thursday evening.

Hon. C. F. Tizard, of Tigardville, was up to the city yesterday, attending Pomona Grange. Chas. has lived to see the little Tigard hamlet grow from a quiet little dale, enlivened by the tinkle of cowbells to a suburban place on a state highway visited daily by hundreds. But he is the same old C. F.

Julius Schoenberg, of North Plains, was over to the city yesterday. Brazelton is getting so many neighbors around him that he begins to feel that he is suburban to Hillsboro or Portland.

Mrs. Chas. Schomburg, who has been visiting her parents, the Jake Raffety's, of above Mountaineer, returned to her home at Nampa, Idaho, the first of the week.

LEGION FIGHTS POLITICS IN ORDER

Department of Oregon Sends out Notification

RIGID RULING IS MADE

No Candidate for Salaried Office Can Hold Office in Legion

"American Legion, Dep't. of Oregon, April 27.—In view of the numerous cases which have been brought to the attention of the department headquarters of the American Legion of efforts to introduce partisan political activities and to foster personal political ambitions within several of the local posts in the state, the following resolution, adopted by the department executive committee at its meeting of April 21, 1920, is quoted for the information of all posts in Oregon. It is requested that this bulletin be read at the first meeting of your post.

"Local posts are cautioned against recent attempts of partisan politicians to subvert the honest purposes of The American Legion in Oregon to their own selfish ends.

It is only by constant vigilance that efforts along this line can be neutralized to the end that the Legion while taking the most energetic interest in public affairs shall not become an instrument for purely partisan propaganda and activity.

There is no inhibition either in the national constitution or in the spirit of the Legion against service men and women taking such part in political activities as they deem fit. It is not contended that any person abrogated any of his civil rights and prerogatives by reason of service in the War.

But in this great organization of war veterans, dedicated to further service not only to our comrades but in a far greater sense to the welfare of our country. It is regrettable that anyone should attempt to bring into our meetings and our work any element of partisanship and selfish interest.

It is only by clear thinking, honest effort and a close adherence to our ideals that we can maintain steadfastly the course upon which we are bent.

Posts, therefore, are asked to maintain vigilance against partisan political activity of every character and to be on the alert for individuals who may approach local posts with a political axe to grind.

The attention of posts is invited further to the section of the national constitution, which reads: "Article II, section 2.—The American Legion shall be absolutely non-political and shall not be used for the dissemination of partisan principles nor for the promotion of the candidacy of any person seeking public office or preferment. No candidate for or incumbent of a salaried elective office shall hold any office in the American Legion or in any department or post thereof."

William B. Follett, Department Commander.

MEMORIAL HOUSE

Delegates from the various civic organizations met at the Hillsboro Club rooms Monday evening to take up the matter of a Memorial building or community house for Hillsboro, commemorating the service of our soldiers and sailors in the late war. N. C. Jamieson was made temporary chairman, and R. L. Tucker temporary secretary. There were several discussions as to the advisability of a community house, plans, sites, etc., and upon motion of C. B. Buchanan it was decided to investigate the recent act of the legislature in authorizing county courts to set aside \$10,000 toward suitable club houses or memorial buildings for service men. W. G. Hare was named to investigate and report. The next meeting will be held Monday evening.

The following committees were appointed and will report as far as possible next meeting:

Finance—C. B. Buchanan, C. E. Wells, E. L. McCormick.

Publicity—C. G. Reiter, he to appoint his assistants.

Plans, etc.—J. H. Garrett, chairman, R. L. Tucker, G. Garthofer, Mrs. C. W. Rollins, Mrs. E. C. McKinney.

A definite plan of some kind will probably be adopted at the coming meeting, and if hard work will secure it Hillsboro will have a community house or memorial building which will be an honor to the service boys.
