ELECTION, MAY 21

STATE ROADS

Vote 302 X Yes
For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes
303 No

NO PROPERTY TAX—NO DIRECT TAX
NO INCREASE IN AUTO LICENSE FEES
NO INCREASE OF GASOLINE TAX

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless limit is increased, either state roads cannot be completed for many, many years, or must be financed by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenue from auto license fees and gasoline tax, without increase of present rates, will be ample to pay both principal and interest on these bonds, is clearly set forth by official figures in the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for verification. Examine the table carefully. It proves that no property tax is required and that present rates for auto license fees and gas tax will redeem principal and interest and yield surplus besides.

Many an oldtimer of Washington County, and many not so old, will read with regret the announcement that Lute Lindsay, the veteran horseman, well known in olden days, passed away the other day, aged over 80 years. Lindsay visited Hillsboro regularly when Washington County had a real county fair at the Tongue place, adjoining the city limits on the west. Lindsay was one of the shrewdest of race horse men, and he knew a good one when he saw it and owned many in his day that were winners. Lindsay was a Hillsboro caller in the days when the late Robt. Imbrie was at the head of our county fairs, and he mingled with men like Steve Scoggin, Bill Tompkins, Pat Powers, the late Ben Cornelius, and many other notables. His word was as good as his bond, and his bond was always 100 per cent. If old Lute doesn't go to "Horse Heaven" it will be for the reason that the Registrar has made a terrible blunder in his books.

Eggs for hatching—S. C. White Leghorns from heavy lay-egg strain. Hoganized hens. Eggs \$8.00 per 100; \$1.50 per setting of 15. Satisfaction guaranteed. Address G. W. Moore, Hillsboro, R. 3, or Phone North Plains 38F11.

Little Margaret Newton, the daughter of Mr. and Mrs. Geo. Newton, had a narrow escape from being crushed Tuesday evening when the 5-20 Oregon Electric was nearing the P. R. & N. crossing at Washington. The little child started to run from the North side of the street, and tripped on a stick which she was carrying, falling within 18 inches of the wheels. The motorman threw his air on to the limit and stopped the train just before the child was reached. It was some white-faced engineer who looked down into the face of the little girl, who smiled up at him as though it were quite a joke.

For Sale—Two year old Holstein bull, fine animal; reasonable. A. Rigert, 2 miles south of Aloha, on Cooper Mountain. Address Beaverton, R. 3.

Ray Sigler, in charge of the laundry wagon out of Hillsboro, was struck by a street car in Portland one evening last week, and Ray is devoutly thankful that he is alive. The car is said to have been running at a terrific speed, and it must have been for it required a block of distance before the brakes held. Ray's laundry packages were scattered over the entire street, but not a bundle was broken. Two Hillsboro ladies were in the car with him when the collision took place, and strange to say neither was injured.

HIGH SCHOOL NOTES

(By Leo Goar)

In the first baseball game of the season Hilhi was handed a defeat by the old rivals, Forest Grove. The score stood even until the sixth, both teams playing fine ball. Something then went wrong and at the 9th the game ended 13 to 5, with the lucky-unlucky 13 on the Forest Grove end. Kamna really pitched a fine game for Hilhi. A return game will follow.

Pres. Ackerman, of the Monmouth Normal addressed the student body Wednesday morning. Miss Weathered's English II Class presented a little play entitled "What's in a Name" last Friday. Those taking part were Evelyn Wall, Maurice Perkins, and Robert Jones. Several parents were present at the rendition.

Monday several students were absent due to weather conditions—they say Portland won the ball game.

The Hilhi goes to press Monday and the editors have been working overtime to get their copy in.

The cast of the Senior play posed for a picture Friday, and a member of the faculty was caught in the camera with them.

Several members of the student body have been vaccinated and are now nursing sore arms. We sympathize with them.

ENTERTAIN KNIGHTS

The Pythian Sisters will entertain the Knights and their ladies, Friday evening, May 7, at the K. P. Hall, and cordially invite all Knights to attend.

HILLSBORO AT U. OF O.

Russell Morgan appeared with the Men's Glee Club when the latter gave its concert in the armory at Eugene Friday evening. The program was varied and pleasing, and greatly enjoyed. Dr. W. D. Wood was in the audience and most of the Hillsboro students attended the concert.

A University quartette, Florence Garrett, Miriam Stockton, Kate Chaburn and Marjorie Wells, sang at a meeting of the Ladies' Auxiliary of the Four L. in Marcola, Wednesday evening. In a short speech Florence Garrett clearly outlined the arguments in favor of the Higher Educational millage bill. Vincent Engeldinger went along as accompanist, saying, "The organ they had was broken down with old age so I only accompanied the quartette in song."

Russell Morgan sings baritone in the law department quartette which has been formed lately. They appeared for the first time in the open house held a week ago Sunday by the law school.

Dr. W. D. Wood, of Hillsboro, visited Eugene last Friday, in the interests of his candidacy for Secretary of State.

The Men's Glee Club gave a banquet and dinner dance to their lady friends, in The Anchorage, last Saturday evening.

That the East recognizes the merit of Western musical organizations is shown by the fact that a picture of the Girls' Glee Club and Men's Glee Club appeared in the April 10 edition of "Musical America," a magazine which Vincent Engeldinger declares to be the greatest musical periodical of this country.

For the first time the U. is going to hold a special Mothers' Day on May 3. Each student is to invite his or her mother to come to the campus and be the honored guest of the University. A special program has been arranged.

BETTER OPTICAL WORK

If a man can write a better book, preach a better sermon or make a better pair of glasses than his neighbor, though he builds his house in the woods, the world will make a beaten path to his door.

I claim the greatest efficiency in the practice of my profession and take a justifiable pride in being able to do just a little better work than my neighbor.

To the members of the Republican Party and the voters of Washington County:

Having filed a petition for nomination for the office of County Clerk, I will say in seeking the nomination, I am not unmindful of the generous treatment and loyal support I have received in the past from the county of my birth and lifetime residence.
