USL—a correct battery and complete service

### Your Battery's Sturdiness

IT'S when your battery's plates wear out, that you buy a new battery. Economy for you, therefore, means the battery with durable plates.

Machine Pasted Plates are what put the extra wear into the USL Battery. Heavy machine-pressure compresses the plate material into a tough, sturdy structure that stands up and lasts.

Jars, tops, separators, cases—all details right. The USL is a guaranteed battery.

We back the USL Battery with a SERVICE which keeps your electrical system in tune and keeps you "battery-happy."

## HOLSTEIN BREEDERS HAVE A SESSION

Take Five New Members Into  
Their Association

WILL MEET BI-MONTHLY

Association Addressed by E. L. West, of Agricultural College

The Washington County Holstein Association were out in force last Friday, when they met at the Hillsboro Club to talk over Holstein affairs. The meeting was well attended and the Holstein men heard a splendid address from E. L. West, of Corvallis, of the Extension Dairy Department. Mr. West told them many things about the Holsteins which was news to many, and he dwelt upon the best strains for breeding and dairy purposes. His talk was replete with information, and he was given the closest attention.

The Association voted to have a picnic of the Holstein men and their families and friends along in June, the date and place to be determined later. Mr. Martin, of Haines Station, near the Grove. W. N. Hathorn, of Laurel, and Thos. Carmichael, of Gaston, were named as a committee to take charge of the gala day, and a big program will be on the bills, as well as an all day basket picnic.

They decided to meet the second Monday in July, September and November for the current year, and thereafter unless a change be made later.

Five new members joined the association—Chas. J. Herb, of near Banks; Otto Jossy, of near Helvetia; M. Sushauer, Cornelius; Gerhard Goetze, of Blooming; and Chas. Spiering, of North Plains.

Holstein breeding is coming in to its own in Washington County, and partisans of the breed propose that organization will help along the cause of the black-and-white producers.

### CARD OF THANKS

We desire to extend our sincere thanks to all who so kindly aided us and extended sympathy during our bereavement, the death and obsequies of our mother, the late Cordelia Clark Cook.

## PETERSON WINS

The jury in circuit court last Friday rendered a verdict for Peterson Bros. in the case wherein John F. Forbis, of Forest Grove, sued the firm for \$2090, the sum paid them for a Cleveland tractor and attachments for farming. The plaintiff contended the tractor had a faulty oiling system, and therefore wanted his money back. The jury decided that the machine had been negligently handled and that had it received proper oiling the case would not have been in court—at least that was the essence of their verdict. Consequently Mr. Forbis will have to pay the costs of the case.

The jury—Otto Wohler, Perry Benefiel, Wm. Faulk, Wm. Peters, P. I. Lilligard, Henry Clark, David Hagg, J. R. Dean, Wm. Hughes, Grover Combs, Geo. Purdy and C. Rehe.

## EGGS FOR HATCHING

Single Comb White Minorca American Beauty Strain, very large. Pure White roosters, weighing from 9 to 10 lbs. Hens from 6½ to 8½ lbs, non-setters. Won twenty prizes at two shows in 1919. I have four fine large birds for mating. My pens are of the Famous Bowen strain, California, weighing from 9 to 10 lbs. each. Eggs, \$3.00 per 15, of \$15.00 per 100.

Wm. Tupper,  
Hillsboro, Oregon.

Gus Klier, of near Laurel, was over town Monday.

Ben Sahnou, of near West Union, was in the city Saturday.

J. H. Voelker Jr., of near Blooming, was an Argus caller Saturday afternoon.

The little son of Chas. Spies, of near Elmonica, was operated on for tonsil removal last week, by Dr. J. B. Dinsmore. Mr. and Mrs.

Spies came up Sunday and removed the lid to their home.

John Vanderwal made rapid work for the damages caused by water at the recent fire in the Heidel building. He adjusted the loss and paid claims the same day to the Handy Store and Mrs. Stockton's Millinery.

J. A. Thornburn, of Forest Grove, was down Monday, shaking hands with Hillsboroites. J. A. is president of the Forest Grove National, but finds time all the time to boost his home town and his home county. He and Zeke Eddy met while they were in the city and each was rather admiring the other's "front."

## Shingles for Hard Service

to withstand all kinds of weather must be made from good live timber, of full thickness and slowly dried. That explains why some shingle roofs wear so much longer than others. A good shingle roof is the cheapest in the end. If you're going to recover your house you'll be interested in our practical experience with roofs. It's free—get it.

Copeland & McCready  
Hillsboro, Oregon

Mike O'Meara, of near Elmonica, spent the day in the city Friday, greeting friends.

John I. Marsh, of Centerville, was transacting business in the city the last of the week.

We won't be pleased unless we please YOU. But there will be no trouble about this. We know WHAT to buy and WHERE to buy it.

Picking out the "right things" in furnishings and hats is an ART.

Come in to our store. In one second you will see that we are on to our job; you will find furnishings to please you and a new "lid" to your liking. "Try it once."

## Cars to Fit Your Needs

### CHALMERS

The Chalmers chassis has been so perfected during the past three seasons that it may now be considered as a collection of well-balanced mechanical units. Chief among these is the famous Chalmers Hot Spot Engine, with its Ram's-Horn manifold and other advanced features of design. No other motor is its peer in year-round smoothness of operation and genuine efficiency in extracting high power from present-day low grade fuel.

### Essex

An Essex made a 105-mile run from Astoria to Portland, covering this distance in 2 hours and 21 minutes and beating the best previous time by 51 minutes.

### Maxwell

Numerous changes in this year's model include: NEWLY CONSTRUCTED PISTONS, HOTCHKISS DRIVE, TWO-UNIT STARTING AND LIGHTING SYSTEM AND NUMEROUS OTHERS of which we will tell you from time to time.

## Equip Your Smaller Car With Goodyear Tires

If you own a Ford, Chevrolet, Dort, Maxwell or any other car using 30x3-, 30x3½-, or 31x4-inch tires, you can well take advantage of the high relative value built into all Goodyear Tires.

You can well do so because you can secure in the smaller Goodyear Tires the results of such skill and care as have made Goodyear Tires the preferred equipment on the highest priced automobiles of the day.

You can well do so because these smaller Goodyear Tires are easy to obtain, being produced at the rate of approximately 20,000 a day, and because their first cost usually is as low or lower than that of other tires in the same types and sizes.

Go to the nearest Goodyear Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He supplies many other local owners of the smaller cars.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in waterproof \$4.50 bag
