

### MAKE SHUTE PARK DECENT PLAY GROUND

#### Get Out and Work to Beautify City's Park Holding

#### SOME WORKING AGAINST

#### Base Hopes of Defeat on Criticism of Pavilion

Every Hillsboro citizen, man or woman, who loves the park beautiful, should get out and work to see that the vote to bond the city for the improvement of Shute Park carries at the coming bond election. Fifteen thousand dollars is asked for this purpose. Those desiring to defeat the measure predicate their opposition to the pavilion feature on the grounds that there will be dancing on the city property.

Young people will dance and it is always a big attraction when there is a celebration. Under municipal control dancing can be regulated to a nicety, and much better than under private control. The measure should not be beaten upon this pretext. A pavilion is needed, and needed badly, and if, incidentally, the use of it as a dance floor will help financially the measure should not be fought upon narrow grounds. The city fathers have pledged to see that conduct at the pavilion will be decorous—and that should be enough. Get in and vote to put Hillsboro a step forward in progress. Let us beautify Shute Park, and do it at once.

### COMMUNITY HOUSE CAMPAIGN STARTS

#### Committee Will Meet Again Next Wednesday Eve to Make Plans

#### EAGER TO SHOVE OFF

#### "Let's Go" is the Watchword for a Memorial Building

Delegates from the various organizations met at the Hillsboro club rooms last night for a general discussion as to ways and means to provide a community house which will stand as a memorial for the ex-service men of the world war. Messrs. Wells, Hare and Buchanan felt that a building to cost not less than \$50,000 would be the thing to adopt, and the various phases of getting the funds for the purposes were gone over again and again.

The plans committee was not able to report as yet, but will be on hand at the coming session next Wednesday evening, when the delegates expect to formulate a decisive plan of action.

Mr. Wells thought it might be well to look into the matter of joint action with the school district, as a matter of economy, but this was opposed on the ground that there might be conflict of authority at times.

By next week plans will be adopted and given publicity and committees started to work.

The delegates all expressed themselves in favor of helping pass the bond issue at the coming city election to bond improve the Shute Park.

Mr. Jamison presided and R. L. Tucker officiated as secretary.

#### WELLS PRESIDENT

At the meeting of the Hillsboro Club Tuesday evening Chas. E. Wells was elected President and M. P. Cady vice president. The resignation of E. L. Moore as president was accepted. Mr. Moore asked to be relieved from the office as his duties would keep him away from Hillsboro for some time. The retiring executive has seen the Club have a wonderful growth and activity under his administration, and the membership some weeks ago declined to accept his dictum that he be retired. As important matters were under way, and as Mr. Moore asked the second time to be released, his wish was granted.

The Club voted to endorse the four per cent. road measure to be voted on May 21, and their advertisement appears in this issue.

The matter of the Adventist hospital was brought up, and Mr. Peterson will convene with the Portland committee the first of the week. It was voted to offer the hospital a site should they consider Hillsboro in a favorable light.

A committee from the hospital will be here in a few days to look over the ground.

The deed to the cannery site will be given Ray & Maling in a few days, the committee having about finished the campaign for funds.

The court has ordered that assistants in the county offices are to receive an increase of \$10 per month, dating from May 1, with the exception of E. C. Luce, deputy clerk, who receives an increase of \$25 per month, and W. W. Downs, sheriff's deputy, who gets a like raise.

The Arnold Truck Co. only wants \$922.30 for damages to a truck, which collided with Truck No. 2, Washington County, on the Capitol Hill highway, July 31, 1919, and ask for \$350 for truck hire while the demolished one was being put into shape.

County road work is now in full swing.

### FOR CORONER

Geo. J. Limber, present incumbent, on the Republican primary ballot to succeed himself as Coroner, has inaugurated a system in his work in the filing of reports on inquests that for the first time in the history of the county contains the complete data of such incidents. He has carried on the mortuary work of the county at the lowest possible expense, and has faithfully and economically performed the duties of the office. His work has been eminently satisfactory and his hundreds of friends feel that he is entitled to nomination and election for a second term.

Republicans are requested to vote 88X Geo. J. Limber, at the primaries May 21. 10-11

Tupper.

#### COMES THE IRON WORKS

The Portland Iron Works Team will play the H. A. L.'s at the local baseball park next Sunday afternoon. The visiting team is said to be a good one, and the locals will have to put up a good game to hold them down.

The H. A. L.'s have been practicing nightly in order to show the comers that Hillsboro has a real ball team, and they expect to send the iron workers back to a Monday of gloom.
