

AUTO AND GAS TAX WILL BUILD ROADS

President of Oregon Chamber of Commerce Says Vote "Yes"

50 THOUSAND MORE CARS

One of the Partial Results of the State Highways

The only thing in Oregon from which the tax payers derive any benefit without any cost to themselves is good roads, according to Charles Hall, of Marshfield, President of the Oregon Chamber of Commerce, referring to the proposed constitutional amendment raising the state bonding limit from two to four per cent, to be voted upon May 21, at the primary election.

"The people of Oregon should make this measure carry unguisably," said Mr. Hall. "Good roads build up the state and the time has come for us to get out of the mud. When the good-road movement was started there were only 39,000 automobiles in the state, and now there are 86,000 registered to date.

"Good roads in one community inspire other communities to build them and greater efforts along the lines of advancement should be put in action at once. The automobile license fees and gasoline tax are sufficient to pay interest on and retire any bonds which may be issued under the proposed amendment, and the money from these bonds will match federal aid, of which \$2,629,555 remains unclaimed, as all available funds are exhausted by being spent or contracted. In addition, whatever would be apportioned under the proposed bill before Congress, which is sure to result in Oregon having the opportunity to claim more than \$5,000,000, would be lost.

"The cost of good roads to a farmer is easy to figure out, but the cost of bad roads to the same individual is hard to determine. A farmer living at Meadow Lake stated that bad roads cost him 50 cents a bushel to haul out his potato crop, which, of course, is ultimately paid by the consumer at his table. Never have the markets paid higher prices and the farmers want to get their products to market to sell them.

"Oregon had a great influx of people coming to invest and settle down following the Lewis and Clark Exposition, which they had previously visited. Persons passing through Oregon will inquire about the roads, and if they learn that the road building program has stopped, their interest in the state will be greatly diminished if not lost. So vote Yes on the 1 per cent bill."

A \$25,000 LOSS

The Hunger Brothers' sawmill, located in the hills above Banks, burned Friday morning, between one and two o'clock. The loss is estimated, mill and lumber in the yard, at about \$25,000, without a cent of insurance. Owing to the fact that the roads were not in condition for hauling early in the Spring, there were 800,000 feet

of lumber piled ready to haul to the railway.

The mill was on a new site and the boys expected to run all Summer, and had just started hauling to the outside. Five brothers were interested in the property—Ernest, Richard, George, Otto and Alvin. They have always cut their own logs and run the mill principally among themselves, so their loss is held down considerably as compared to what it would have been had they hired extensively. Richard was in the city Friday, and says it is not decided yet as to whether they will build.

George Meacham and wife and Joe Essner, of above Mountaineer, were in the city the last of the week. Up in their country Dairy Creek is lined with autos every Sunday—visiting fishermen.

Baby chicks, from a mating of Tanager strain hen to Hanson's "Royal King" cockerels; May 15 to June 1, \$18 per 100; after June 1, \$15.—Paul Dudley, Aloha, Ore. 9-14

Peter Grossen, of Helvetia, was an Argus caller Friday morning. He said his prayers were for rain—and they were answered Sunday night. Looks like he will have to go on the payroll.

J. H. Foote, proprietor of the oldtime Tualatin Hotel prior to the sale of the property to McQuillan, was out from Portland Monday, greeting friends. J. H. is now on the Portland police force, and it appears to agree with him.

A. C. Shute and L. T. McPheeters spent a couple of days fishing the past week, up in the DesChutes country, near Maupin. They had fine luck. They report that the catches of big fellows, however, were made by those who used the spoon.

At six o'clock Sunday evening there were at least twenty autos parked in Shute Park, and here and there a fire was kindled and campers were getting a warm lunch ready. Installation of gas plates in the park, with rules and regulations for parking and camping will mean many visits to the beautiful grounds. Let's get busy and vote the bonds to make this a beauty spot for Hillsboro and for our visitors.

H. A. L.'S TAKE GAME FROM PORTLAND I. W.'S

Free Hitting Contest Ends in Victory 12 to 10 Hillsboro

THREE HOME RUNS MADE

Rolling and Ragged Game, but Full of Thrills

The H. A. L.'s of Hillsboro put the Portland Iron Works team out of business last Sunday by a score of 12 to 10. It was a free hitting game, and full of thrills, and gave the attendance, which was large, a run for their money. The crowd was given all kinds of baseball—good pitching, indifferent pitching, good fielding and bad fielding—a slug fest from start to finish and it was nobody's game until the very last.

Three home runs graced the scoresheet, Burkhalter and Jensen making the circuit for the H. A. L.'s and Engle running the Marathon for the Iron Workers. Things ran smoothly for the local boys until the seventh inning, when the score stood 9 to 2 Hillsboro. The visitors had up to that canto won but four hits off of Taggart. With the beginning of the seventh things changed complexion. Five hits by the Portlanders and three errors by the locals came mighty near losing the game to the iron pounders. But Hillsboro tightened up and added another win. This makes two out of three for the H. A. L.'s—we can't win them all, of course.

Buck Private Talks
That seventh inning was almost as bad as being told to line up for detail.

That it was a great day for the ladies.

That the Umps were had his eye with him.

That Dudley and Ledford were busy handing out the bucks to the home run hitters.

That Jensen gets free drinks at Dillon's stand all summer.

That the Umps was like my old skipper "What I say goes," and it did.

That Burk and Jensen sent over a couple of 305's.

That the artillery fire was some bombardment.

The team will meet the Cendors next Sunday afternoon.

A. W. Lull, who has been logging out near the Scotch Church, sending in his output to the Hamilton-Regan mill, suffered a broken leg one day last week. A log rolled on him, and it took five men to get the intruder off his ankle. Dr. E. H. Smith reduced the fracture and he is now getting out on his crutches. He can watch the other men work, but finds it about all he wants to do to take care of himself.

Patrolman Stockdale, on a motorcycle, had a head-on collision last Thursday night near Aloha, when he crashed into the machine of Mr. DuBois, of near Orenco. Stockdale was chasing a motorcycle, and had fired two shots at the fleeing man, who was exceeding the speed limit. Stockdale had no lights on and while putting his gun into his pocket struck the DuBois machine. He suffered a severe head wound and was unconscious for some time. Mr. DuBois was thrown thro the windshield, but sustained no serious injuries. For several days it was thought that Stockdale would die, but at last reports he was improving rapidly. 11tf

AMERICAN LEGION HAS ELECTION

Neal C. Jamison Will Serve as Commander

ALFRED MORGAN VICE-COM

Post No. 6 Expects 150 Members by End of Week

A special meeting of Hillsboro Post No. 6, The American Legion, was held last Friday evening, May 14, in the circuit court room. The membership push during Legion Week, May 17-22, was given new impetus. A large number of letters has been sent out to prospective members urging them to join the American Legion. Replies are coming in every day both from the new members themselves and from the old members who are working hard to put the drive over. Indications are that Hillsboro Post will number more than 150 before the close of the week. Special inducements are offered to ex-service men in the fact that the initiation fee will not be collected, and the yearly dues of \$2 will place a member in good standing for the year 1920, if the application is received this week. This low price in securing the benefits and privileges of Legion membership should appeal to a large number of men.

An added feature of the evening was the presentation of the Government insurance data by Cliff Wood, of Portland, who explained the various policy plans and gave many helpful suggestions to men who are thinking of reinstating. Since reinstatement will be impossible after July 1st of this year, the men are now anxiously inquiring about the insurance before their last chance slips away.

Officers for the coming year were elected as follows: Commander, Neal C. Jamison; Vice-Commander, Alfred H. Morgan; Adjutant, Zenas A. Olson, re-elected; Finance Officer, Alvin Hoffman; Historian, Ronald C. Vanght; Executive Committee, Elmer Batchelder, Lawrence Taggart, Wilbur Dillon.

Ice cream and smokes were then passed and the members proceeded to close the meeting in a jolly way.

The Department Commander, W. B. Pollett, of Portland, has called the attention of all posts throughout Oregon to the lack of emphasis on the educational bill bearing ballot title 312. The bill passed a year ago by popular vote has yielded insufficient funds to provide educational aid to all the service men who have applied, and the money is exhausted. Unless the bill passes on May 21, not more than one-half of the service men desiring aid will be able to secure it next year. Since a large number of Washington County boys will be included in this number, it is certain that the people, having voted to thus help the men who served their country, will at this election vote to provide fully this aid.

K. P. CONVENTION

The District Convention of Knights of Pythias Lodges will be held in Forest Grove on the evening of May 22.

The district is composed of Yamhill and Washington Counties. While the gathering is a lodge affair the first part of the evening will be given over to a free program to the public.

This public program will consist of a parade headed by the far-famed D. O. K. band of Portland. After the parade there will be a program of instrumental and vocal music and short addresses by Leslie Crouch and Fred Johnson, Past Grand Chancellors.

Following the public program the convention will meet in the K. of P. Hall for work in the Bank of Page and such other business as may come before the convention.

Come and enjoy the music and hear the instructive talks. The public program will be in the band stand on the church square.
