County Official Paper

L. A. Long, Editor.

Entered at the Post Office at Hillsboro, Oregon, as second-class mail matter.

Subscription, \$1.50 per annum.

Issued every Thursday by Mrs. E. C. McKinney and L. A. Long.

If the United States wishes to take care of its production as well as its citizenship it will get busy at once and enact marine legislation that will carry the American flag into every port in the world. We have the natural resources and the production, and we should see to it that American ships in a great part carry American trade. Of course? we can not in reason expect to carry it all, but we should use every means to make us a maritime power in the commercial realm—for ships bring trade—and we have the trade to load the ships.

HILLSBORO TO HELP

The definite part Hillsboro is to play in a state-wide campaign of the Oregon State Chamber of Commerce was outlined recently by C. W. Schouboe, representing the state Chamber, and who visited Hillsboro in connection with a survey of the state that is now being made.

Mr. Schouboe discussed the campaign with a number of leading local men, all of whom are interested in the plans of the state Chamber.

C. E. Wells was selected as chairman of the Hillsboro executive committee which will cooperate with other cities in the state-wide movement. Associated with him will be A. C. Shute, D. Corwin, J. F. Gardner and Mayor John M. Wall.

The Oregon State Chamber of Commerce has undertaken plans to play a big part in the future development of the state of Oregon. Funds will be collected to advance advertising, pointing out the opportunities to be found in Oregon and to encourage land settlement; administration to promote irrigation; extension of railroads; refund on reclamation fund; extension of highways both for commercial purposes and through national forests; cooperation with agricultural and lumbering interests and numerous other big projects, the development of which will be of incalculable value to Oregon.

Mr. Schouboe was assured by local leaders that Hillsboro could be relied upon to do her share along with other communities of Oregon. Other representatives of the state Chamber of Commerce will visit Hillsboro later and complete the organization work for the state-wide movement, which it is declared will benefit every section of Oregon.

CHORAL CONCERT

The second concert of the Hillsboro Women's Chorus was heard at the Cong. Church Monday evening, Paul Petri, conductor, and Mrs. Petri, accompanist and assisting artists, William Wallace Graham, violin, and Christian Pool, cellist. The program: By the Women's Choral Society, "When Mother Sleep Comes Around," "Dance of the Leaves," "The Catechist," "The Old Folks at Home," "Oh, Hush Thee My Baby," "Mother's Song," "Annie Laurie," "There was a Man of Thessaly"; Mr. Graham, violin, "Canzonetta" and "Capriccio," by Mr. Pool, "Dedication" and "The Swan"; by Mrs. Petri, Mr. Graham and Mr. Pool, "Melody in F" and "Serenade." Every number was a treat and the program was considered the best that ever delighted a Hillsboro audience.

Attorney Hare yesterday filed a suit brot by the Utah Construction Co. asking the court to enjoin a subcontractor from interfering with their taking hold of tunnel work on the Banks to Nalem railroad. The subcontractor is not getting the work along fast enough and the contract reads that the original contracting company can go in and do the work and charge it up to the subs. The subs are fighting, and will not allow the Utah Co. to go in and build the tunnel, where the chief engineer says there is faulty and tardy construction.

It is said that many Hillsboro publicans will vote against Mr. Uchtel, running for the public service commission on the republican ticket in the primaries. Mr. Uchtel was one who voted to take Hillsboro pay a hydrant twice of hundreds of dollars a year after the city had given valuable franchise in lieu of a ce service.

EDSON—TUPPER

A very pretty wedding was solemnized at the home of Mr. and Mrs. William Tupper Saturday evening, May 15, 1920, at eight o'clock, when their daughter Emma Beatrice was united in marriage to Guy M. Edson, Elder J. S. Lucas, of Portland, officiating, in the presence of relatives and friends of the contracting parties. Miss Dorothy Walton, of Portland, was the bridesmaid, and LaVana and Velma Blackburn were the flower girls. The bride was beautiful in white chiffon over net and carried a shower or bouquet of Ophelia roses, white sweet peas and Lilies of the Valley. Her veil of white net draped in graceful folds from a coronet of orange blossoms.

The bridesmaid was very becoming in a dainty frock of apricot chiffon taffeta and carried pale pink carnations. The little flower girls were in white organdy and carried baskets of pink carnations and sweet peas.

Arthur B. Tice, an ex-service man, a former comrade of the groom, was best man, and there were twelve ex-service men in the wedding party.

H. Ray Sigler, a cousin of the bride, sang "The Sweetest Story Ever Told," and Miss Helen Wilcox played the wedding march.

A reception followed the ceremony, after which Mr. and Mrs. Edson departed for a brief honeymoon. They will be at home to their friends in Hillsboro after June 1.

The groom is well known in Hillsboro, where he had made his home for a number of years. He is a son of Mrs. O. E. Edson, and was in the Mexican campaign prior to enlisting as a volunteer in the world war. He crossed with the 162nd, and was with the headquarters company in France working with the telephone system. He is deservedly popular, and is known as one of Hillsboro's best citizens. The bride has been a resident of Hillsboro since a small child, and has a host of friends. The Argus joins with their many friends in Washington County in wishing them every happiness.

NICHOLAS KEMMER

Nicholas Kemmer, widely known in Washington County, died at his home at Cooper Mountain, May 9, 1920, after a short illness, his affliction being heart trouble. He was born in Germany, Jan. 4, 1867, and came to America in 1881. He was married to Anna Marie Wahlschaet, at Centerville, near Verboort, Oct. 18, 1885. They immediately moved to his home on Cooper Mountain, where they lived many years and raised their family. The widow and following children survive:

Joseph and Jacob Kemmer, of Cooper Mountain; Clement, of Portland; Mrs. C. E. Nelson, of Cooper Mountain; Mrs. John Nusbaumer, of Fallbridge, Wn., and Albert, at home.

Mr. Kemmer was very industrious and before he had reached his fiftieth year had carved a fine home out of the timber on the mountain south of Aloha. He was a good citizen, a kind and loving husband and father and his good nature made him a host of friends. He will be missed by the community in which he lived and by a large circle of friends all over the county.

FULLER PAINT

THE life, the value, the beauty of your home, depend on the care you give it.

Weather-beaten and warped siding, cracks and open joints are forerunners of decay.

Many property owners neglect to look for such signs, judging their houses and buildings by general appearances only.

It is good business to make regular inspection of your property, and to use paint of good quality, which is the surest preventive of decay.

Through the varying conditions of weather in all their extremes, FULLER Paint has proved both its preserving and beautifying qualities—a Pacific Coast Product for Pacific Coast requirements.

71 years of paint manufacturing experience are back of every brushful of FULLER Paint.

Some of the FULLER Products
