MRS. MINNIE HUMPHREY

Mrs. Minnie Humphrey, aged 64 years, died in Portland July 3. She was the mother of Mrs. J. C. Johnson, of Forest Grove, and H. T. Humphrey, Portland. The funeral took place Monday and interment was in Lone Fir Cemetery, Portland.

On Sunday, July 11, the Hillsboro team will play the Multnomah team on the local grounds. An audience will soil over the grounds and drop the ball that will start the game. Any player catching the ball will be given a \$5 hat by W. W. Boscow. Who will get that hat?

FAMILY REUNION

Arthur Pike, reared on a farm near Beaverton, accompanied by his wife, arrived at the home of his mother near Beaverton, Saturday, July 3, from Modesto, Cal., where he has resided for the past 23 years.

On the 4th a family reunion picnic was held in a beautiful grove on the old Sloan place, northwest of Beaverton, where a beautiful repast was served and a most pleasant day passed by all. Additional interest was lent the occasion by the presence of Mr. and Mrs. Gladwin Doughty, of Hillsboro, who had been married at Portland on the evening of June 12.

Those present were: Mrs. Maria Pike, mother of the guest of honor, Mr. and Mrs. Arthur Pike, Mrs. Hattie Bruce, Mr. and Mrs. Geo. Doughty, Dr. and Mrs. Giffin, Mr. and Mrs. Orlesby Young, Mr. and Mrs. Archie Pike, Mr. and Mrs. J. E. Sweeney, Mr. and Mrs. Gladwin Doughty, Miss Frances Young, Stanley Summers, George Coughlin and Frank DeLoets.

Dr. E. H. Smith sustained a couple of slightly fractured ribs July 4, while driving out from Portland on the Canyon road. Dr. Smith was rounding a curve, near the brickyard, when his steering gear slipped. The machine was out of control, as he was taking a good clip with his new State, when the car crashed into the bank and tipped over backwards. The car was badly scrapped and the doctor sustained two slightly fractured ribs, a skinned nose and a black eye. He was able to walk, however, and was home Sunday. He was able to be on the street Tuesday morning and on Wednesday was again at his practice. Dr. Smith says that only for crouching down behind the wheel the possibility is he would have been killed. Smith was coming out from Portland after visiting a patient, and was trying to make Hillsboro in time to see the parade.

John Kirkwood was to the county seat Saturday and witnessed Banks beat Reedville, 7 to 3. John knows a good game when he sees it, and he is of the opinion that had Reedville started Herb Schulmerich at the beginning, it would have been a "gray horse of a different color," as Corrieri was almost a sick man from the start. Reedville's infield, which is Chief Olinger's pride, was functioning in perfect order, and those of Reedville, who witnessed Saturday's game are proud of their boys in spite of the fact that the Eagles of Victory chose to perch elsewhere. Reedville fan.

Wilson Taylor, of Clatsop, came over the last of the week to visit a few days with T. S. Weathered and family, and help celebrate the Fourth in his former home town. Wilson says that Tillamook is building miles and miles of good roads and in the course of a few years it will be good traveling anywhere within the boundaries of the county. He thinks that ultimately there will be a good road over the Willamette river route—as soon as the rail line builds across from Gale Creek.

Albert Schomburg, who has been in California a few months, was in the city Tuesday, the guest of John Vanderwal. He left that evening for Mt. Vernon where he will again assume duties in the accounting department of the Carnation Co. He has been with one of the big condensers under construction in the South.

Experienced cement workers will take contracts for all kinds of cement work, Hillsboro or immediate vicinity. Inquire of R. L. Tucker, at Lumber yard, west end of Main Street, P. R. & N. E. R. track. —M. C. O'Connell, Contractor. 15-17

Col. R. A. Miller, of Portland, one of the democratic war-horses who tried to beat Chamberlain for the senatorial nomination in the recent primary, was in town Tuesday morning. Col. Bob fell mightily short of his expectations, but says he is "regular" now.

Sam Humphreys came over from the Lincoln County coast to spend the Fourth of July with his boyhood friends. Sam still has an eye for a rattling good Fourth of July celebration and knows where to find one.

Melchior Uebel, well known at Mountaine, now working near Independence, was in town over the Fourth, enjoying the celebration and visiting with home folks, who came in to the county seat to meet him.

FORMER NORTH PLAINS MAN IN AUTO FATALITY

Rendered Unconscious, But Will Recover Say Physicians

CHIEF MILLER WRECKED

Dr. Oettinger, an Elk, was Killed in Automobile Wreck

Chief Quarter Master E. I. Miller, well known at North Plains, where he lived as a boy, now in the U. S. Navy Recruiting department at Missoula, Montana, was in a bad wreck near Drummond, Mont., a few days ago. Dr. Oettinger was driving, and the machine went over a twelve foot embankment, killing the driver and rendering Miller unconscious several hours.

Miller was going from Missoula to Drummond to meet a Naval companion who is piloting a recruiting car thru the Missoula section.

Chief Quarter Master Miller is a son of Mrs. H. W. Miller, of Forest Grove, and a brother of Elmer Miller, of North Plains, and Oscar Miller, of Gale Creek.

As soon as Miller regained consciousness he attempted to walk to Drummond to secure assistance, and met help on the road. He is now in St. Patrick's Hospital, at Missoula, and although badly bruised expects to be at his duties in a few days.

LIVENGOOD—PETERSON

A very pretty wedding was solemnized in the presence of a party of seventy-five or eighty relatives and friends, Saturday, June 26, 1920, at eight o'clock p. m., at the Presbyterian Church, at Reedville, when Ellamae, the eldest daughter of Mr. and Mrs. W. B. Peterson, was united in marriage to Hubert J. Livengood, son of Mrs. Anna Livengood, of Tobias, Rev. H. F. Gelvin, pastor of the Reedville church, officiating.

Miss Juanita Peterson, of Omaha, Neb., cousin of the bride, accompanied by Miss Jessie Elliott, of Portland, sang "In the Dawning," after which Miss Elliott sounded the opening notes of the wedding march. The bride was attended by Mrs. Charles Watson Pugh, nee Millie Peterson, as Matron of Honor, and the Misses Orlo and Lavigna Colt, of Portland. The groom was accompanied by his brother, George Livengood. Little Miss Emma Belle Peterson, sister of the bride, was ring bearer, and little Miss Kathryn Peterson, cousin of the bride, was flower girl. The bride was gown in white embroidery silk and wore a long silk veil, caught up with orange blossoms and a band of pearls. She carried a bouquet of bride's roses and white sweet peas. Her attendants were beautifully gowned in white satin and carried bouquets of pink sweet peas.

Bride and groom are well and favorably known in the community where they have many friends who wish them much happiness. The presents were many and beautiful.

After the ceremony ice cream and cake was served on the lawn.

Mr. and Mrs. Livengood left for the Tillamook coast where they will spend their honeymoon. Upon return they will be at home to their friends at Aloha, where they have built a home.

GUERNSEY PICNIC

The Washington County Guernsey breeders are planning a monster picnic to be held at the farm of A. B. Flint, Scholls, Friday, July 23. Guernsey breeders from the other Willamette Valley counties are invited, and they expect to have a real get together of the breeders of the fawns and whites. Notable speakers have been asked to attend, among whom are O. M. Plummer, General Manager of the Livestock Exposition, and Prof. E. L. Westover, of Corvallis. Judging contests will be made a part of the program, and some of the Guernseys recently imported from the islands will be on exhibition.

—County Agent.

SPRAY NEEDED

"Apple worms, moths are busy depositing eggs now. The cool rainy weather following the earlier exposition delayed the main brood until the present time," says A. L. Lovett, entomologist of the O. A. C. Experiment station.

"Growers who applied the '30-day' spray previous to the rains should apply a protecting spray now.

"All indications point to a rather light infestation of worms at this time. Careful spraying will check their increase and be of decided value in preventing a heavy late brood of worms."

BOLD BURGLARS ROB JACKSON PHARMACY

Cornelius Pharmacy Has Midnight Prowlers Last Night

ALSO TAKE AWAY AUTO

Steal Watches, Rings, Fountain Pens; Make Getaway in Machine

Burglars kicked in the front door of the L. A. Jackson Pharmacy at Cornelius, last night, robbed the place of between 15 and 20 watches, some gold band rings, and some fountain pens, and then, to add insult to injury, stole Mr. Jackson's automobile, and hied away with the plunder. The robbery took place between 11 o'clock and 1:30. Mr. Jackson had been away in the evening, taking his car with him. He did not, as was his usual custom, put the watches and rings in the safe. He did not return home until nearly eleven o'clock, and put up his car without going to the store.

Later in the night he was told by some who passed the place that the Drug store had been looted. Sheriff Alexander was called and investigated and was about to leave when it was discovered that the Jackson auto was also not in evidence. The Sheriff notified Portland authorities and the machine was picked up in Portland this morning before daylight. The burglars lost one of the gold band rings and it was found in the floor of the auto this morning.

Whoever robbed the store must have had a companion, for the automobile was "raced" when the door was forced. It was this noise that caused some Cornelius citizens to awaken, and by the time the alarm was given the robbers were well on their way out of town, proceeding on their way to Portland.

Had Sheriff Alexander been notified a little sooner he might have met the robbers in the machine, and had he so done he doubtless would have stopped them and landed the rascals in the bastle.

The value of the property stolen amounts to several hundred dollars.

It is thought that the robbers knew the lay of the land because of the fact that they took the car to make their getaway. It is certainly some irony when a man robs your store and then steals your machine to get away with the plunder.
