A complete charter list, and then some, has been secured for the Council of the Security Benefit Ass'n., and Deputy Dist. Manager H. W. Smith, assisted by State Manager Thomas and visiting members from Portland, will institute a council in this city, July 21, at the Moose Hall. From indications the local council is destined to be one of the best in the state and with their exceptional forms of policies offered, a rapid growth is anticipated. The charter remains open until the Council is organized, allowing all who desire to get in on the initial list. One of the Portland degree teams will be present to put on the ritualistic work one week from the night of institution, and many members are expected here from Portland and other councils.
