Lighter housework for the summer days

Plan for more rest and relaxation during the warm weather. We suggest Blabon Floors of Art Linoleum to help lessen the laborious care of floors. We are showing a number of beautiful patterns. With any of these on your floor you could remove the heavy rug till Fall, and thus do away with considerable work. Linoleum floors, too, are so easy to keep bright and clean!

We will be glad to show you our varied assortment, and to furnish estimates for your requirements.

Equip Your Small Car With Goodyear Tires

Goodyear Tires in the 30x3, 30x3½ and 31x4-inch sizes are manufactured with characteristic Goodyear care to build high relative value into every carcass and tread.

Last year more cars taking these sizes, were factory-equipped with Goodyear Tires than with any other kind.

In order to make these tires widely available to users of such cars, we are operating the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car requiring one of these sizes, go now to the nearest Goodyear Service Station Dealer for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50
30 x 3½ size in waterproof bag
