

GAS HOUNDS ARE TAPPING AUTO TANKS
Sneakers Take Little Tube and Syphon in Dead of Night
RAID CARS AT CITY PARK
Officers Think That Youngsters are Chief Offenders

The gas shortage has developed a new type of criminal known as the "gas hound," and he is operating largely at night. This particular type of law breaker carries a little rubber tube with him and when he finds a car parked in a back yard, or away from the presence of people, he proceeds to apply himself with gasoline. He inserts the tube into the tank. He draws a long breath on the end of the rubber and starts a little stream running into a vessel. When he gets the vessel full, or the stream stops, he hies away for another conquest.

Twelve cars were robbed in this way at Shute Park, Saturday night, while the dance was in progress, and four cars parked on lots inside the city limits were tapped.

Officials think that in all probability the tapping is being done by boys between sixteen and twenty, for they are the chaps who want to joy-ride, and are going to joy-ride, if they can get the motive power.

Over at Gresham one auto owner had his tank siphoned one night and lost two gallons. He loaded it the next day and purposely drove the car around town so it might be known that he had the precious stuff.

He then took his burglar alarm and set it so that no one could touch the car without a rattle. He caught two kids of about 18 red-handed and turned them over to the peace officers. The moral—lock your car in your garage or the put on a burglar alarm.

Dr. Thompson's services make correct glasses a certainty. Next visit Saturday, Aug. 7, Washington Hotel all day.

Sheriff Till Taylor, of Pendleton, Umatilla County, killed by an outlaw during a jail break last Sunday, was well known to several Hillsboro people. R. H. Greer knew Till when the official was a boy, and Mr. Long, of the Argus, was a member of the same Pythian Lodge at Athens, with which Taylor officiated, and helped make Taylor a Knight, over 30 years ago. F. G. Mitchell, of The Delta, also had a close personal acquaintance with the dead sheriff. Till Taylor was a splendid official and had been sheriff of Umatilla County for nearly a quarter of a century, being elected time after time as a democrat in a strong republican county, so popular was he. He was the commanding figure of the big Pendleton Round-Up, and helped make that an institution world-famed. Taylor, besides being a personal favorite with all Umatilla County was an institution in himself as a public officer. He has captured more bad men than any other sheriff in Oregon, and he was always ready to go after his man, no matter how bad a reputation the fugitive might have.

Farmers' Mutual Insurance is best—Farmers are finding out that insurance in the Farmers' Mutual Fire Relief Assn. costs 60 per cent less than in commercial companies. The Assn. has \$8,000,000 at risk and saves \$25,000 annually to its members. Operated for the benefit of farmers. When ready to insure, notify H. C. Pearson, Box 173, Hillsboro, Ore.

The members of the county bankers' association met at Cornelius State Bank, Cornelius, on Tuesday night, to discuss affairs in regular monthly meeting. After the business session Albert S. Sholes and his son, Frank Sholes, stood as hosts for the party at a banquet at the home of Mr. and Mrs. Sholes Sr. The visitors were given a royal time and the menu was delightful.

W. E. Crosby, of below Scholls, was a county seat caller the last of the week and remembered the Argus in his visitation.

New Men Signed to Help Hillsboro Team Battle for Pennant

The American Legion nine took the Cendors into camp on the local grounds, Sunday, score 4 to 2. The game was fast from start to finish and was clean throughout. Palfrey, the first baseman, played in the upper. He has taken 61 chances in five games and has but one error charged to him. He is batting 500. Jensen is batting in second place, and made three hits out of 4 trips to the bat in Sunday's game. Chet Henderson is hitting in third place on the team, and the boys are all getting down to business. Hillsboro fans will see a new man in action next Sunday, Manager Sewell having signed up Krietz, a catcher who was with the Chi White Sox a couple of years ago. He will help Hillsboro fight its way to the pennant. The management has also signed Brown, a new pitcher, and with Gray back in form, the Legion will have the best battery in the League, barring none.

On Sunday, August 1, Hillsboro will play the fast Kirkpatrick nine on the Hillsboro grounds. Game will be called at 2:30.
