HILLSBORO AND FOREST GROVE

Paul Landauer, of West Union, was a city caller the last of the week.

Judge W. H. Hollis, of Forest Grove, was in town the last of the week on legal business.

Mrs. Wm. Vanderveen, of Portland, formerly of Leisville, was in the city Monday, visiting her son, Joseph, who is convalescing at the Dr. Smith hospital.

C. N. Johnson, of Forest Grove, was an Argus caller Monday morning. C. N. has rented his farm and says he is going to try watching the other fellow do it for a while.

Having rented my farm, have no use for practically new Waterloo Boy tractor, plow and disc. Will sell or trade. Will demonstrate.—C. N. Johnson, Forest Grove. Phone 867. 25 27

P. A. Batchelar, of Beaver, to which place he moved several months ago, came over the last of the week to wind up some local business. He says that the new section agrees with him and he thinks it is a comer.

Wish to rent small place—5 to 15 acres—for chicken business. Will buy stock and implements paying cash, and will pay cash rent in advance.—Address Al Harrison, St. Charles Hotel, Portland, Ore. 24 26

Mr. and Mrs. Earl Ringle have returned to their home in California. Mr. and Mrs. Lee Chandler, well known here, Mrs. Chandler being Mrs. Ringle's mother, will leave for the South next week to spend a few weeks.

John W. Cornelius, of above Blooming, was in town Monday. He has finished threshing and says there was a fine crop in his section of the county. He will send some samples of his grain to the coming state fair.

There is another run on rabbits these days of the H. C. of L., and many are eating the little bunnies. Fried rabbit is a rare delicacy and the meat is cheaper than chicken. If you have never tried a rabbit, get busy.

Mrs. M. Neumann, of near Blooming, was a city caller the last of the week. She was accompanied by her daughter, Anna, the announcement of whose marriage with William Voelker, September 5, 1920, has been mailed.

Rudolph Schuepbach, of near Beaverton, was in the city Saturday. He was accompanied by Christian Dolder, his father-in-law, and Fred Dolder, his brother-in-law, of Snohomish, Wash., who are visiting here, and Peter Siegenthaler, of Beaverton.

Mrs. L. A. Long and daughter, Margaret, returned Saturday night from a fortnight's visit with Mrs. G. A. Reynolds, at Olympia, and Mrs. Frank Hedrick, another sister, at Seattle. Donald E. Long, now with headquarters at Seattle, returned with them and remained until Tuesday evening.

## What to look for in buying a Phonograph

Whether or not a phonograph is attractive in design and finish is a matter for each individual to decide, for your personal taste enters very largely into the decision.

The cabinet, however, should be well finished—the back as well as the front.

Carelessness in finishing the back of an instrument may mean carelessness in other points of manufacture which are not open to inspection after the instrument has been finished.

The best way to decide on a Phonograph is to hear the different makes of machines and then hear the Brunswick, and we know what the verdict will be.
