

"You may be Sure"

says the Good Judge

That you are getting full value for your money when you use this class of tobacco.

The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind.

Any man who has used the Real Tobacco Chew will tell you that.

Put up in two styles

W-B CUT is a long fine-cut tobacco
RIGHT CUT is a short-cut tobacco

All Studebaker Cars are equipped with Cord Tires—another Studebaker precedent.

JOHN WILSON SUICIDES

John C. Wilson, aged between 50 and 60, shot himself Saturday, during the night, on the campus at Forest Grove, near the gymnasium, and his body was found the next day just before noon. Wilson lived on Gales Creek, near the old Bisbee place, and he left home about eleven o'clock Saturday night. He used a 30-30 rifle, which he had cleaned and loaded for two weeks. Wilson leaves a wife and mother at the Gales Creek home, the children having all grown up.

He left a letter to his wife, telling her that he was more or less a failure, and that there was not enough coming in to take care of them. He intimated that the wife was not exactly satisfied with his financial status, and he told her she would find \$57 in the purse; that he had put a deed to the property in the safety deposit box for her, and that he wanted his watch to go to "Buster."

Wilson said he never could do anything excepting hard work, and he no longer could stand it, so, he was going to end it. He admonished her to be kind to his mother, and said, "for she was a good mother, always, to me."

Wilson carried \$1,000 in the Woodmen of the World, and his other estate consists of 60 acres of land, on which he paid \$100 in taxes, with no mortgage in evidence.

For sale, cheap: South Bend Malleable range, used but a few months. Good as new. Phone 2866, Hillsboro, or call at 865 West Washington Street. 32-34
