WHITE PLAGUE WORK

The Oregon Tuberculosis Association, under the direction of the executive secretary, Mrs. Sadie Orr Dunbar, is organizing its forces throughout the state for the annual sale of Christmas Seals. Robert W. Osborn, who has just conducted a tuberculosis survey of Eastern Oregon, has been named seal sale director and is already in the field building up an organization for what the Association hopes will be the biggest and most successful sale yet held in the state.

The Public Health Association will conduct the sale in the eleven counties where they exist; they are Jackson, Coos, Lane, Washington, Clackamas, Hood River, Union, Harney, Curry, Multnomah. In other counties other organizations have already signified their intention of taking an active part in the sale of the Seals. In Yamhill county club women will conduct the sale in McMinnville, Newberg, Sheridan, Amity, Williams, Dayton, Carlton and Dundee.

Miss Edith Wyllie, of Dayville, Grant County, has the distinction of being the first woman to volunteer her services as seal sale agent before the sale has begun. Columbia and Clatsop counties were visited during the past week by Mr. Osborn and organized assistance was arranged. Mrs. Dunbar visited The Dalles last week and spoke before the Sorosis Club, and that club volunteered to take over the agency for the seal sale for the entire county of Wasco.

The budget of the Oregon Association for use in 1921 is \$35,000, and through the sale of the Christmas Seals at a cent a piece, this sum will be sought. This means a sale of five seals per capita if the work of the Association is to be continued along its established lines. If a sum less than this is raised it will mean the sacrificing of some part of the vital educational, demonstration and experimental work.

Four and a half million seals have been received by the Oregon Association. The 1920 Seal features a tiny green elf, who carries aloft the standard of the Anti-Tuberculosis Association, the red double-barred cross, while riding atop the pack of gifts carried by Santa Claus. The scheme of the stamp is to typify the "greatest gift of all, good health," and the attaching of stamps to all letters and Christmas packages during the month of December, will insure the carrying of the gift of good health to hundreds of Oregon victims of this dread disease, as 95 per cent of the entire proceeds from the sale will be kept in this state to combat the disease.

SOUTHERN PACIFIC LINES

JOHN M. SCOTT, General Passenger Agent

To the Voters of Oregon!

The taxpayers of Portland and Multnomah County are not only willing but anxious to provide the Port of Portland with needed funds for dredging our River Channel to the sea. The Committee that formulated what is known as the Port of Portland and Dock Commission Consolidation Bill under the numbers 310 and 311 on the ballot insisted, however, upon weighting down the measure with an enormously expensive real estate scheme, and by a formal vote turned down the request of taxpayers that the Swan Island scheme and the River Channel scheme be presented as separate measures. Refusing to be forced to swallow something they cannot approve, Multnomah County is expected to vote adversely to the whole scheme by an overwhelming majority. Having done this, they will then be ready to vote for any needed amount for improving our River Channels. A Committee of the City Club has submitted a detailed analysis of the measure showing that it means an ultimate expenditure of at least \$40,000,000.

Our Chamber of Commerce and other civic bodies with all of our river pilots and steamboat owners and others have protested against it. At least twelve former and present members of the Port of Portland and the Dock Commission have declared against it. A majority, if not all, of our City Commissioners oppose it. The Committee of 15 itself that drafted the measure is divided.

The Taxpayers of Portland Appeal to You

in a spirit of fair play to save this county from the imposition upon us of such an overwhelming and paralyzing debt as this measure contemplates. It would be deemed offensive if we gave expression to what we believe to be the selfish and ambitious political motives that have inspired the measure which is submitted with a distinctively deceptive title.

We simply appeal for fair play and a decent consideration of the hopeless plight in which this community will find itself if the measure carries. As citizens of outlying counties who will not have to pay a dollar of the debt imposed, we appeal to you to consider what would be your feelings if Multnomah County should try to impose a similar burden on you. Our interests in a general way are mutual.

It is our sincere judgment that the success of this measure will seriously retard, instead of promoting, the development of this port and that the state at large will in return suffer severely as a consequence.
