We have a secret we want to share with you—but we can't publish the details here. We have a wonderful plan for you to use in honoring your Mother on the day that's named for her.

We call it our Mother's Day Club. All the details we explain personally, but not in print. But it's a splendid idea, conceived by Brunswick, and one which you'll appreciate.

This part we can tell—on Mother's Day your Mother will be given a tremendous surprise.

We deliver to her a Brunswick Phonograph (Model 112) and a special collection of Brunswick Records, and—but the rest is part of the secret.

The Mothers' Day Club makes it easy for you to honor her in this delightful manner. It affords her a permanent reminder, a constant pleasure.

Come in at once and let us tell you the plans personally. Never has such an offer been made before. The time is short—so come in at once.
