SURPRISE YOUR MOTHER ON May 8th--Mother's Day

With a Brunswick

Come in at once and let us tell you the plans personally. Never has such an offer been made before. The time is short—so come in at once.

We have a secret we want to share with you—but we can't publish the details here. We have a wonderful plan for you to use in honoring your Mother on the day that's named for her. We call it our Mother's Day Club. All the details we explain personally, but not in print. But it's a splendid idea, conceived by Brunswick, and one which you'll appreciate. This part we can tell—on Mother's Day your Mother will be given a tremendous surprise. We deliver to her a Brunswick Phonograph (Model 112) and a special collection of Brunswick Records, and—but the rest is part of the secret. The Mothers' Day Club makes it easy for you to honor her in this delightful manner. It affords her a permanent reminder, a constant pleasure.

NEW PHYSICIAN

Dr. T. J. McKay, M. D., has arrived and associated himself in the practice of medicine with Dr. J. O. Robb, an old classmate. Dr. Mackey hails from the East and graduated in 1907 from the Toronto, Canada, Medical College. After eighteen months as an intern in the Toronto General Hospital, Dr. Mackey spent a year abroad, studying at Dublin, Ireland, and Edinburgh, Scotland. From there he returned to Canada, and went into the Saskatchewan, where he practiced at Saskatoon, and specialized in obstetrics and diseases of children. He found the Winters altogether too vigorous for him there and concluded to 'come down into the Willamette Valley. He will pay special attention to obstetrics and children's diseases.

Dr. Mackey will bring his family here for residence.

NOTED HOLSTEIN DEAD

Carnation King Sylvie, the registered Holstein bull, died at the Carnation Stock Farm, near Seattle, a few days ago. The bull cost the Carnation Company \$106,000 at a Holstein sale in 1918. He has a large number of sons and daughters to keep up his family record.

J. F. Gardner, of the Hillsboro National Bank, returned Sunday from a three weeks' trip to Janesville, Wisconsin, where he attended the bedside of his father, who sustained a critical operation. He left the parent getting along nicely with hopes of complete recovery. Mr. Gardner was in the recent big blizzard which raged Wisconsin, and for two days there was no train service past or out of Janesville. He says that when he awakened Sunday morning and looked out of the sleeper window he saw the falls across on the Oregon shores of the Columbia, and that he felt that he was surely getting back to God's country were we kick a little over weather conditions, but mean only to be soothed with the weather man.

Canadian Land Agency—I have taken the agency for the sale of Canadian lands in the Alberta and Saskatchewan districts. Pay one-tenth down and balance in nineteen annual installments.—Inquire 1709 Baseline, or write Michael Mohr, Hillsboro, Oregon. 8-9

Robt. H. Warrens, who will lease the McNamee place, beginning with October 1, was down from Gales Creek, Monday. Warrens will work on the place this Summer, making repairs. He joined the Farm Bureau while in town and thinks it is the agency that will make the farmer a factor in political life.
