

MANSFIELD TALKS

The big feature of the Hillsboro meeting Tuesday evening was the address of Geo. A. Mansfield, president of the Oregon Farm Bureau. Mr. Mansfield is just returned from a trip to Washington, D. C., and he related his experiences going before various departments and congressional committees, and before the Federal Reserve Bank. His talk was a revelation to many and he demonstrated that the National Farm Bureau is doing an effective job for the farm interests. Mansfield had a sympathetic audience of business men and farmers and he handled his subject in a masterful manner. The speaker is a farmer down in Meaford and he is the right man in the right place. The members of the Beaverton Municipal Club were in attendance and Mayor Otto Erickson. Mr. Swenson made talks for Hillsboro Club support to get 1925 Fair on the side of the island mountain. They maintained that it would be a masterpiece for the future of the county and that this would mean a great thro' Portland mountain, leading out to the most fertile of Oregon's counties. On motion President, Dr. Hyde, was instructed to appoint a committee of three to work with the Beaverton committee.

OVERSEAS SERGEANT ANSWERS ROLLCALL

(Continued From Page 1)

Many A. E. F. men were in attendance in uniform, and several squads from the local Legion Post acted as a military escort. A firing squad from the Post was at the grave and fired the last salute to their comrade in arms. A bugler sounded taps as the body was lowered to rest. The rites of the Masonic order were rendered at the grave.

It is said that practically all of the surviving members of his battery were in attendance, among whom was his former officer, Captain Jas. S. Day, of Portland. The service at the Congregational Church was held by Archdeacon Chambers, of the Episcopal Church, assisted by Chaplain John B. McCormick, of the A. E. F.

The active pall bearers were all Battery B. men who served with Rollins in France.

The honorary pall bearers were the following ex-service men who were students with and fraternity brothers of the soldier—Chas. L. Deichman, W. V. McKinney, H. C. Carter, Jas. Mahon, Jas. Imbrie and Lawrence Taggart. Undertaker Bell directed the interment.

Sergeant Rollins was a member of the Masonic fraternity, the Knights of Pythias and of the Delta Kappa fraternity.

He is survived by his parents, a brother, Arthur, an overseas veteran, and a sister, Lillian.

HILLSBORO AT C. A. C.

(By H. C. Crocker)

That O. A. C. students from Hillsboro are becoming influential and popular at college is shown by the many student activities in which they are taking part.

W. Verne McKinney is quite prominent in student activities. He is a sophomore in commerce and is majoring in journalism. He was selected as assistant editor of next year's Beaver, the junior annual. He is also assistant news editor of the Barometer. He was elected by his fraternity, the Delta Kappa, to be its representative on the inter-fraternity council. McKinney has been pledged to Sigma Delta Chi, national honorary journalism fraternity.

C. crooks and Jefferson high school of Portland, he took second place in the high hurdles and third place in the low hurdles. He was elected athletic manager of the Delta Kappa fraternity. He also took part in the faculty-student minstrel show.

James L. Mahon graduates this year in the department of civil engineering. Mahon is a member of Sigma Tau, national honorary engineering fraternity. He was editor of the engineering edition of the O. A. C. Barometer and publicity manager of the annual engineering show. He is also a member of the Delta Kappa fraternity.

TEACHERS DINE

Mr. and Mrs. R. Hiyeda, of Newton, entertained the teachers of the Grade Schools, Supt. Barnes and Janitor Custard to a dinner Tuesday evening. A Japanese student who graduates out of Pacific University this year was present and made an address. Mr. Hiyeda has two daughters in the grade school and he is intensely American. He and his wife and all his children have life memberships in the American Red Cross, and the husband has always been foremost in expressions of loyalty to American institutions. The dinner was splendid and the corps of teachers passed Mr. and Mrs. Hiyeda a vote of thanks for the compliment.

A chap from Salem drove on the highway here the other day and just for meanness passed and repassed Doc Blatchley three times. He went by Doc and then slowed down to a turtle crawl. Doc honked and went by. Then the chap passed the second time and again slowed down. The third time was enough for Doc and he had the chap pinched. Judge Smith assessed the road hog thirty bucks, three times ten, and it is safe to say that he will be a good driver when he again hits the trail here.

BANK ROBBERED

The Washington County Bank at Banks was robbed last Friday night, the yeggmen tunneling a hole from the outside into the safety deposit vault. Thirty-three of the safety boxes were broken into but no one appears to know whether there was much loss in Liberty bonds or other securities that were negotiable. The yeggmen carried away \$487 in nickles which were in the vault, but made no attempt to blow the money safe of the institution. They left \$100 in pennies.

By actual count the nickles would number 8,740 and the pennies left number 10,000.

Some months ago W. L. Moore, of the bank, admonished patrons that it would be a wise idea for them to keep Liberty bonds, Savings Stamps and other valuables that thieves could dispose of, in a safer place, so many placed them in the bank safe proper, or otherwise the loss might have been much greater.
