About your crankcase

Road dust, carbon, fine metal particles and other impurities accumulate in your crankcase oil from engine operation.

The gritty oil circulates through your engine, impairing its performance, and ultimately leads to rapid depreciation and repairs.

Automobile manufacturers recognize this danger, and in their instruction books, carefully advise regular draining and flushing of the crankcase.

These important instructions are often disregarded; cleaning the crankcase is a job generally disliked.

To meet this need, Modern Crankcase Cleaning Service has been established by first-class garages and other dealers, co-operating with the Standard Oil Company. These garages and dealers use Calor Flushing Oil, — the scientific agent that cleans out old oil, dirt, grit and other impurities, and does not impair the lubricating efficiency of fresh oil used.

The cleaned crankcase is refilled with the proper grade of Zerolene.

Reedville defeated Tigard at Tigard, Sunday, in one of the most brilliant games played this season in the Washington County League. The score was 8 to 1.

Weisenback was on the mound for Reedville and pitched in wonderful form. The lone score made by Tigard came as the result of an overthrow to first, otherwise it would have been a nest of goose eggs for Tigard. The Reedville rooters began to invade Tigard at an early hour, and the ladies served a picnic luncheon for the boys and their followers at the old Grange park. A return game will be played with Tigard, at Aloha, next Sunday.—Cor.

CLUB DINNER

A very pleasant dinner was held at Tigard, at the E. T. Trobitter home, Sunday, the guests being club members from the Tigard school and delegates to the Summer School at O. A. C.—Marion West, Robt. Grandy, Eugene Bishop and Geo. Trobitter. These club members left Monday for Corvallis and will spend two weeks there. Each goes with the determination to "Make the Best Better," and hope to see Supt. Frost there. Pres. Sellwood, of the Oregon Pet Stock Association, has extended a special invitation to the rabbit boys to be exhibitors in November at the Western Winter Show and Pacific Livestock International, and has promised many inducements, hoping to see many exhibits of poultry and rabbits. As Washington County is in the forefront we ask you to remember the livestock exhibit and the judging contest for Club members. Let's make Washington County first this year.—Leader.

EIGHTH GRADE GRADS

Two more Eighth Grade graduates earned diplomas at the recent state examination, their papers coming in to the Superintendent's office too late to get into the list given to the press, last week. The two are from School District No. 52 and are Theodore Pfahli and Lawrence Gnos, of Cornelius, Route 2.

Circuit Court new cases—Benedict Thurner, who was married at Danville, Ky., in 1891, sues Lena Thurner for divorce, alleging studied neglect on the part of the wife. He states that when he returned from the hospital a few months ago, she had no cordial welcome for him, and that she complained when he bought Liberty Bonds as a patriotic duty. Francis Cota sues Emma B. Cota for divorce on the grounds of desertion. M. J. Kelley, owner of 8.20 acres on Fanno Creek, sues to have the court cancel a mortgage given Tillamook County by a former owner, G. W. Bolton, to secure a fine imposed on one Sprague, charged with violation of the vehicle law. The contention is that the justice court had no right, nor the county, either, to take the instrument. A Tillamook justice engineered the deal.

Mrs. Rebecca Hall, widow of the late Calip Hall, died at the Washington County Hospital, June 10, 1921. She was a native of Pennsylvania, and was born July 5, 1845. The husband died several years ago. The funeral took place from the Christian Church, Sunday, afternoon, and interment was in the Hillsboro cemetery. Undertaker Limber directing. She is survived by two sisters, Mrs. Maggie Walker and Mrs. Emma Davis; and two nieces, Mrs. Orville Prickett and Mrs. Ella Turner.

The Farmington Community Welfare Club met last week with Miss Ida Robinson, and the afternoon was enjoyed in visiting, kooking and a business session. At the close the hostess, assisted by Miss Helen Mickle and Mrs. R. L. Robinson, served a delightful luncheon. Guests were Mrs. Letitia Jack and Mrs. Mary Hoover. The Club will meet June 23 with Mrs. Claude Cook, and all members are requested to be in attendance as the semi-annual election will take place.

The public is to be congratulated—and the city as well—on the installation of the new comfort stations on the celebration grounds. Sanitary toilets have been constructed and the old barbaric conditions are things of the past. This in itself is worth a million and means progress.

F. C. Peck, of Beaverton, and his little grand daughter, Margaret Tucker, Hillsboro, daughter of Mr. and Mrs. R. L. Tucker, departed for Billings, Mont., Tuesday, for an extended visit with relatives.
