New Structure in Shute Park Has Fine Floor

TURSDAY EVE, JUNE 25TH

Dancing Ball Will be the Social Event of the Summer Season

Some will this Saturday, June 25, enjoy a big dance at the auditorium in Shute Park. It is predicted that a record attendance will come to see the structure with its 12,800 feet of floor space and the hard maple floor laid for dancing purposes.

The building is nearing completion and nothing in the Willamette Valley can compare with it.

Mr. Phelps, who has charge of opening dance, expects the best attendance ever witnessed at a public affair of this kind. The committee invites all couples who enjoy a fine open space to visit Hillsboro this Friday night and take part in festivities. The auditorium is open to the enterprise of all people and the net proceeds will be used toward financing the structure.

Admission tickets will be \$1.10, including the war tax, and ladies will be admitted upon payment of the 10 cents war tax. All persons and the countryside are invited.

## HILLSBORO BLANKS SHERWOOD 2 TO 0

First Shut-out Game of the Willamette Valley League, 1921

BAKER THROWS AT UMPIRE

Reconstructed County Seat Team Played Stellar Ball Sunday

Hillsboro shut Sherwood out Sunday at Sherwood in a 2 to 0 game—the first shut-out game of the 1921 Willamette Valley League. It was a bitter dose for Sherwood for they sure had a good team and know the game.

Up to the ninth frame neither side scored. In the ninth Hillsboro put over two scores and Sherwood failed in the last half. Fully half the crowd Sunday was from Hillsboro, and the locals report all kinds of hard boiled stuff after the game was in swing.

Manager Kreitz, the catcher, put a world of pep into the county seat boys and they fought every inch of the game. Three clean hits in the ninth sewed up the game—a game that Sherwood wanted very badly. Chet Henderson was the first man up and sent a long fly in the field, which was handled by Sherwood. McEntee singled and George Henderson was out on a fly. Paddy Kreitz singled, which meant two on and two down. It was up to Old Man Jensen and he came through with a line drive from first base line, scoring both runs. In Sherwood's half they threatened to tie the score. With an error and a hit, with only one down the next two "fled" out to Batchelar, ending one of the finest pitchers' battles seen in the brush this year. Gray allowed but four hits, while Myers, Sherwood's veteran pitcher, allowed but five. Hillsboro's outfield played great ball, spearing line drives like leaguers, and taking everything that came their way. With two runs attempting to score on a long drive Harvey Batchelar backed into the fence and picked the ball off the boards for a goose-egg for the onlookers.

Batchelar was the only one who didn't travel the strike out route, and McEntee led the batting with a double and a single out of four times up. The entire team fought and played every minute and the game was a thriller. If Kreitz can keep the boys working like they did Sunday, Hillsboro is going to make a garrison finish at the end of the season.

Hillsboro's team played positions: Gray, pitcher; Kreitz, catcher; Buck Winegardner, 1 b; Geo. Henderson, 2 b; Jensen, s s; Sohler, 3 b; Batchelar, r f; McEntee, c f; Chet Henderson, 1 f.

Sherwood's veteran player, Tom Baker, became enraged at a decision of the umpire and threw a ball at him. He was put out of the game by Umpire Davis, but allowed to go back because of Sherwood's shortage of men. It was bad business for Sherwood's team and marred their chance to be called good losers.

Kreitz is getting the boys out overtime and visiting teams will find a team full of ginger from

now on. The Kirkpatricks come Sunday June 26, and there will be a real ball game.

If the Kirks win they will have to go some, for Manager Kreitz is working time and a half. Hillsboro is asked to get out and see the game. —Dillon.

## START ON LOGANS

The Ray-Maling cannery have been operating on strawberries for two weeks and three days, and started this morning on loganberries. It is expected that the Logans will tax the capacity of the plant as soon as picking begins in earnest and it is estimated that it will require a three weeks' run to take care of the harvest.

Stanley Jacobs, of Aloha, while driving on the Terwilliger Boulevard Tuesday evening about 7:30, ran into a parked car belonging to J. W. Kennedy, of Portland. Jacobs was thrown into the wind shield and impaled on a piece of projecting glass. He was discovered by a deputy sheriff and taken to the St. Vincent's Hospital, where he received medical attention. For a time his condition was quite precarious, but he is expected to recover. Jacobs is married, is aged 26 years, and has two small children. He works in the Portland paving department as an engineer. The deputy sheriff who conveyed Jacobs to the hospital says that the Kennedy car was parked contrary to law. He also found that Jacobs had a flat tire which might have been responsible for the collision.

For Sale—A two and one-half ton Mack Truck, 1920 model, in first-class mechanical condition. Priced right. Will give terms to responsible party. Truck can be seen at H. R. Kuehne's barn, at Tigard, Oregon. 15-17

Last Sunday Len B. Fishback began his second year of work as pastor of the Central Christian Church. Mr. Fishback is a graduate of both the Eugene Bible University and of the University of Oregon, having spent five years in the two institutions. He will serve as a student pastor next winter and will receive his B. D. degree from the E. B. U. next Spring. During the past year forty-nine have been added to the church, twenty-six by baptism and twenty-three by letter or by statement. The Sunday School enrollment has been increased from 125 to over 200, and all the departments of the church are planning on doing even greater work in the future.

## K. C. WINS AGAIN

Art says: "Hillsboro K. of C's, nine landed hard on Beaverton Sunday to the tune of 10 to 1. Emmons and Desinger were the battery for Beaverton, while Vandehy and Sohler operated for the K. C's. Medley, of Beaverton, relieved Emmons in the seventh inning, but the K. C's thought it a poor relief as they pounded him hard right off the reel. 'Buddy' Green thought he would demonstrate to the starch factory boys some classy pitching so he relieved Vandehy in the seventh, not because it was necessary, but to get in due form for the next tournament, and he was able to strike out five men in two innings, which is a little less than his average. Umpires, Miltenberger and F. O'Meara."

Mrs. Edna Ingles and son, of above Banks, were Hillsboro visitors Monday.

John Berger, of Bethany, was in town the last of the week, getting ready for the hay harvest.

Gilgian Hager, of above Mountaineer, was greeting friends in town the last of the week.
