FAMILY REUNION
 The home of Mr. and Mrs. Geo. E. Benton, of Orenco, was the scene of a very enjoyable affair, June 19, when their children and a number of grandchildren and other relatives and friends gathered for a family reunion. It was the first time in thirty-six years that these estimable people had the pleasure of having their family all together at one time. A splendid dinner was served, such as the hostess and her daughters know how to prepare.

Of their own family their visitors were their two daughters and three sons—Mrs. Mollie Howard, of Spokane; Mrs. Ruth Desmond, of Tillamook; Herbert, of Orenco; Ulysses, of Willamina, and Henry, of Portland. Other relatives present were Mrs. Minnie Wade and son, Clair, of Cloverdale; Hallie Desmond, of Tillamook; Mrs. Henry Benton and daughter, Harry and Omar Benton; Mr. and Mrs. Chas. Bowling, of Portland; Mr. and Mrs. S. E. Hoover, of Hillsboro; Rev. and Mrs. McVeigh, of Orenco, and Clifford Thomas, of Tillamook.

TODD—McFADDEN
 Thos. T. Todd, of Forest Grove, and Miss Grace McFadden, of Hillsboro, were united in marriage June 21, 1921, at Vancouver, Wash. The bride is the daughter of Mr. and Mrs. Chas. F. McFadden, of Hillsboro, and the groom is a son of a well known Forest Grove couple, Mr. and Mrs. A. B. Todd. He was enlisted in the U. S. Navy during the war, and is a bandsman of talent. The bride is well known here, and for a number of years was in the employ of the Hillsboro National Bank.

Mr. and Mrs. Todd departed for Rockaway, where they will remain during the Summer season, after which they will reside in Portland. Mr. Todd is a member of one of Portland's well-known orchestras and will play an engagement this Winter in the Rose City, playing this Summer at the beach.

The many Hillsboro and Forest Grove friends of Mr. and Mrs. Todd wish the newly-weds every happiness.

Modern six-room house for sale—basement, sanitary and storm sewer; fireplace; Dutch kitchen; sleeping porch; located within a block of highway; fairly close in; some terms.—Inquire at 934 Fifth Street.

Claire Ulschaeffer, who worked near Banks some time ago, was arrested in Portland Monday and taken before the court on a charge of not paying alimony for the support of his wife and three small children. Ulschaeffer says, he went to Texas in 1915 and sent money to his wife from that place, and that when he enlisted his wife procured a divorce from him. Failure to get money for work was the reason assigned for not paying up according to court decree.

Fine tomato plants for sale; raised out-of-doors.—D. P. Corrieri, Hillsboro, 582 Second St., south of Southern Pacific depot. 14-16

The county steam shovel has finished grading down the big "dug hill" at Rippling Waters, on Gales Creek, and the roadway has been widened considerably. When it is all completed and Forest Grove and the road district just north of the city get together and put the macadam into shape leading from the top of the hill to the Thatcher road fork, the motoring up Gales will not be half bad.

FORD
Announcement

Mr. Edsel B. Ford, President of the Ford Motor Company, gives out the following statement:
 "Another reduction has been made in the list price of all types of Ford cars and the Ford truck, to take effect immediately. The list prices HERE are now as follows:

Runabout with self starter and demountable rims	\$602.73
Touring, with self starter and demountable rims	\$649.58
Sedan, with self starter and demountable rims	\$909.90
Coupe, with self starter and demountable rims	\$842.21
Truck, pneumatic tires	\$623.54

"The big reductions last Fall were made in anticipation of low material costs, which we are now getting the benefit of, and this fact together with increased manufacturing efficiency and the unprecedented demand for Ford cars, particularly during the past three months permitting maximum production, have made another price reduction possible immediately.

"Ford business for April and May, 1921, was greater by 56,633 cars and trucks than for the same two months in 1920; in fact, the demand has been even greater than the supply, so that our output has been limited, not by unfilled orders, but by manufacturing facilities.

"During May we produced 101,424 Ford cars and trucks for sale in the United States alone—the biggest month in the history of our company—and our factories and assembly plants are now working on a 4000 car daily schedule for June.

"The Fordson tractor is still being sold at less than the cost to produce on account of the recent big price reduction, and it is impossible, therefore, to make any further cut in the price of the tractor."

Can you afford to go without a car any longer when Fords are selling at these new low prices? There is no reason now why you should delay purchasing a Ford car, Ford truck, or Fordson Tractor.

We will gladly advise you concerning the delivery of a Fordson Tractor or the particular type of car in which you are interested. Just phone us or drop us a card.
